not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a Federal Register notice with a 60-day comment period on this information collection on April 2, 2018, (83 FR 14064).

1. The title of the information collection: Requests to Non-Agreement States for Information.
2. OMB approval number: 3150–0200.
3. Type of submission: Revision.
4. The form number if applicable: Not Applicable.
5. How often the collection is required or requested: On occasion.
6. Who will be required or asked to respond: Non-Agreement States.
7. The estimated number of annual responses: 120 responses.
8. The estimated number of annual respondents: 15 respondents.
9. An estimate of the total number of hours needed annually to comply with the information collection requirement or request: 840 hours.
10. Abstract: Occasionally, requests may be made of Non-Agreement States to provide a more complete overview of the national program for regulating radioactive materials. This information would be used in the decision-making of the Commission. The legal basis is that section 274(a)(3) of the Atomic Energy Act authorizes and directs the Commission to provide a more complete overview of the national program for regulating radioactive materials. This information may be made of Non-Agreement States.
