Compliance with the collection of information requirements of the rule is necessary to obtain the benefit of relying on the rule. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days after this publication.

⁴ This estimate is based on the following calculations: (1 hour ÷ 6 years) = 10 minutes per year for each fund and conduit fund that is required to provide notice under the rule. 10 minutes per year × 3 (combined number of affected funds and conduit funds) = 30 minutes.

⁵ This estimate is based on the following calculation: \$401/hour × 30 minutes = \$200.50. The estimated hourly wages used in this PRA analysis were derived from reports prepared by the Securities Industry and Financial Markets Association, modified to account for an 1,800-hour work year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead, and adjusted for inflation.

Rule 17a-12/Form X-17A-5 Part IIB, SEC File No. 270-442, OMB Control No. 3235-0498

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17a-12 (17 CFR 240.17a-12) and Part IIB of Form X-17A-5 (17 CFR 249.617) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17a-12 is the reporting rule tailored specifically for over-the-counter ("OTC") derivatives dealers registered with the Commission, and Part IIB of Form X-17A-5, the Financial and Operational Combined Uniform Single ("FOCUS") Report, is the basic document for reporting the financial and operational condition of OTC derivatives dealers. Rule 17a-12 requires registered OTC derivatives dealers to file Part IIB of the FOCUS Report quarterly. Rule 17a-12 also requires that OTC derivatives dealers file audited financial statements annually.

The reports required under Rule 17a-12 provide the Commission with information used to monitor the operations of OTC derivatives dealers and to enforce their compliance with the Commission's rules. These reports also enable the Commission to review the business activities of OTC derivatives dealers and to anticipate, where possible, how these dealers may be affected by significant economic events.
