AGENCY: Department of the Navy, DoD.

ACTION: Notice of a modified system of records.

SUMMARY: The Department of the Navy proposes to modify a system of records notice: Data Warehouse Business Intelligence System (DWBIS), N05220-1, to be compliant with the OMB Circular A-108; by updating contact information for the system manager; by expanding the categories of individuals covered by the system to include the Space and Naval Warfare Systems Command (SPAWAR) and its two systems centers; by updating the categories of records for these individuals, and by providing routine uses that are consistent within the Federal Government. This is necessary to allow a single system to be used for all of SPAWAR to manage workforce education, training, skills, and experience required for the development of its Acquisition Workforce, Cyber Security, and Information Warfare workforce.

DATES: Comments will be accepted on or before September 27, 2018. This proposed action will be effective on the date following the end of the comment period unless comments are received which result in a contrary determination.

- *Federal Rulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

• *Mail:* Department of Defense, Office of the Chief Management Officer, Directorate of Oversight and Compliance, 4800 Mark Center Drive, Mailbox #24, Suite 08D09, Alexandria, VA 22350-1700.
