**Abstract:** Pursuant to the Boulder  
Canyon Project Act (43 U.S.C. 617, Pub.  
L. 642-70th Congress, 45 Stat. 1057), all  
diversions of mainstream Colorado  
River water must be in accordance with  
a Colorado River water entitlement. The  
Consolidated Decree of the United  
States Supreme Court in *Arizona v.  
California*, 547 U.S. 150 (2006) requires  
the Secretary of the Interior to account  
for all diversions of mainstream  
Colorado River water along the lower  
Colorado River, including water drawn  
from the mainstream by underground  
pumping. To meet the water entitlement  
and accounting obligations, an  
inventory of wells and river pumps is  
required along the lower Colorado  
River, and the gathering of specific  
information concerning these wells.

**Title of Collection:** Lower Colorado  
River Well Inventory.

**OMB Control Number:** 1006-0014.

**Form Number:** Form LC-25.

**Type of Review:** Extension of a  
currently approved collection.

**Respondents/Affected Public:** Well  
owners and operators along the lower  
Colorado River in Arizona, California,  
and Nevada. Each diverter (including  
well pumpers) must be identified and  
their diversion locations and water use  
determined.

**Total Estimated Number of Annual  
Respondents:** 150.

**Total Estimated Number of Annual  
Responses:** 150.

**Estimated Completion Time per  
Response:** Approximately 20 minutes is  
required to interview individual well  
and river-pump owners or operators.

**Total Estimated Number of Annual  
Burden Hours:** 50 hours.

**Respondent's Obligation:** Required to  
obtain or retain a benefit.

**Frequency of Collection:** These data  
are collected only once for each well or  
river-pump owner or operator as long as  
changes in water use, or other changes  
that would impact contractual or  
administrative requirements, are not  
made. A respondent may request that  
the data for its well or river pump be  
updated after the initial inventory.

**Total Estimated Annual Non-hour  
Burden Cost:** 0.

An agency may not conduct or  
sponsor and a person is not required to  
respond to a collection of information  
unless it displays a currently valid OMB  
control number.

The authority for this action is the  
Paperwork Reduction Act of 1995 (44  
U.S.C. 3501 *et seq.*).
