SUPPLEMENTARY INFORMATION:

Title of Collection: Consumer Leasing Act (Regulation M) 12 CFR 1013.

OMB Control Number: 3170–0006. Type of Review: Extension without change of an existing Information Collection.

Affected Public: Businesses and other for-profit entities.

Estimated Number of Respondents: 13.718.

Estimated Total Annual Burden Hours: 2,126.

Abstract: Consumers rely on the disclosures required by the Consumer

Leasing Act, 15 U.S.C. 1667 et seq. (CLA) and Regulation M, 12 CFR 1013, for information to comparison shop among leases, as well as to ascertain the true costs and terms of lease offers. Federal and State enforcement and private litigants use the records to ascertain whether accurate and complete disclosures of the cost of leases have been provided to consumers prior to consummation of the lease. This information provides the primary evidence of law violations in CLA enforcement actions brought by Federal agencies. Without Regulation M's recordkeeping requirement, the agencies' ability to enforce the CLA would be significantly impaired.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

Dated: August 28, 2018.
