

opportunities, which should prevent shares from trading at a material discount or premium from NAV.

6. With respect to Funds that hold non-U.S. Portfolio Instruments and that effect creations and redemptions of Creation Units in kind, applicants request relief from the requirement imposed by section 22(e) in order to allow such Funds to pay redemption proceeds within fifteen calendar days following the tender of Creation Units for redemption. Applicants assert that the requested relief would not be inconsistent with the spirit and intent of section 22(e) to prevent unreasonable, undisclosed or unforeseen delays in the actual payment of redemption proceeds.

7. Applicants request an exemption to permit Funds of Funds to acquire Fund shares beyond the limits of section 12(d)(1)(A) of the Act; and the Funds, and any principal underwriter for the Funds, and/or any broker or dealer registered under the Exchange Act, to sell shares to Funds of Funds beyond the limits of section 12(d)(1)(B) of the Act. The application's terms and conditions are designed to, among other things, help prevent any potential (i) undue influence over a Fund through control or voting power, or in connection with certain services, transactions, and underwritings, (ii) excessive layering of fees, and (iii) overly complex fund structures, which are the concerns underlying the limits in sections 12(d)(1)(A) and (B) of the Act.

8. Applicants request an exemption from sections 17(a)(1) and 17(a)(2) of the Act to permit persons that are affiliated persons, or second-tier affiliates, of the Funds, solely by virtue of certain ownership interests, to effectuate purchases and redemptions in-kind. The deposit procedures for in-kind purchases of Creation Units and the redemption procedures for in-kind redemptions of Creation Units will be the same for all purchases and redemptions and Deposit Instruments and Redemption Instruments will be valued in the same manner as those Portfolio Instruments currently held by the Funds. Applicants also seek relief from the prohibitions on affiliated transactions in section 17(a) to permit a Fund to sell its shares to and redeem its shares from a Fund of Funds, and to engage in the accompanying in-kind transactions with the Fund of Funds.<sup>2</sup>

<sup>2</sup> The requested relief would apply to direct sales of shares in Creation Units by a Fund to a Fund of Funds and redemptions of those shares. Applicants, moreover, are not seeking relief from section 17(a) for, and the requested relief will not apply to, transactions where a Fund could be deemed an Affiliated Person, or a Second-Tier Affiliate, of a

The purchase of Creation Units by a Fund of Funds directly from a Fund will be accomplished in accordance with the policies of the Fund of Funds and will be based on the NAVs of the Funds.

9. Applicants also request relief to permit a Feeder Fund to acquire shares of another registered investment company managed by the Adviser having substantially the same investment objectives as the Feeder Fund ("Master Fund") beyond the limitations in section 12(d)(1)(A) and permit the Master Fund, and any principal underwriter for the Master Fund, to sell shares of the Master Fund to the Feeder Fund beyond the limitations in section 12(d)(1)(B).

10. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Section 12(d)(1)(f) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act.

### Summary of the Application

1. The Advisor will serve as the investment adviser to the Subadvised Series pursuant to an investment advisory agreement with the Trust (each, an "Investment Management Agreement" and, collectively, the "Investment Management Agreements").<sup>1</sup> The Advisor will provide the Subadvised Series with continuous and comprehensive investment management services, subject to the supervision of, and policies established by, the Trust's board of trustees (the "Board"). The Investment Management Agreement permits the Advisor, subject to the approval of the Board, to delegate to one or more Sub-Advisors the responsibility to provide the day-to-day portfolio investment management of each Subadvised Series, subject to the supervision and direction of the Advisor.<sup>2</sup> The primary responsibility for

<sup>1</sup> Applicants request relief with respect to any future series and any other existing or future registered open-end management company or series thereof that intends to rely on the requested order and that: (a) is advised by the Advisor, or any person controlling, controlled by or under common control with the Advisor or its successors; (b) uses the multi-manager structure described in the application; and (c) complies with the terms and conditions of the application (each, a "Subadvised Series"). For purposes of the requested order, "successor" is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization.

<sup>2</sup> A "Sub-Advisor" for a Series is (1) an indirect or direct "wholly-owned subsidiary" (as such term is defined in the Act) of the Advisor for that Series, or (2) a sister company of the Advisor for that Series that is an indirect or direct "wholly-owned subsidiary" (as such term is defined in the Act) of the same company that, indirectly or directly, wholly owns the Advisor (each of (1) and (2) a "Wholly-Owned Sub-Advisor"), or (3) an investment sub-adviser for that Series that is not an "affiliated person" (as such term is defined in Section 2(a)(3) of the Act) of the Series or the Advisor, except to the extent that an affiliation

managing the Subadvised Series will remain vested in the Advisor. The Advisor will hire, evaluate, allocate assets to and oversee the Sub-Advisors, including determining whether a Sub-Advisor should be terminated, at all times subject to the authority of the Board.

2. Applicants request an exemption to permit the Advisor, subject to Board approval, to hire a Non-Affiliated Sub-Advisor or a Wholly-Owned Sub-Advisor, pursuant to Sub-Advisory Agreements and materially amend Sub-Advisory Agreements with Non-Affiliated Sub-Advisors and Wholly-Owned Sub-Advisors without obtaining the shareholder approval required under section 15(a) of the Act and rule 18f-2 under the Act.<sup>3</sup> Applicants also seek an exemption from the Disclosure Requirements to permit a Subadvised Series to disclose (as both a dollar amount and a percentage of the Subadvised Series' net assets): (a) The aggregate fees paid to the Advisor and any Wholly-Owned Sub-Advisors; (b) the aggregate fees paid to Non-Affiliated Sub-Advisors; and (c) the fee paid to each Affiliated Sub-Advisor.

3. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Such terms and conditions provide for, among other safeguards, appropriate disclosure to Subadvised Series' shareholders and notification about sub-advisory changes and enhanced Board oversight to protect the interests of the Subadvised Series' shareholders.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or any rule thereunder, if such relief is necessary or appropriate in the public interest and consistent with the protection of investors and purposes fairly intended by the policy and provisions of the Act. Applicants believe that the requested relief meets this standard because, as further explained in the application, the Investment Management Agreements will remain subject to shareholder approval while the role of the Sub-

arises solely because the Sub-Advisor serves as a sub-adviser to one or more Series (each a "Non-Affiliated Sub-Advisor").

<sup>3</sup> The requested relief will not extend to any sub-adviser, other than a Wholly-Owned Sub-Advisor, who is an affiliated person, as defined in section 2(a)(3) of the Act, of the Subadvised Series or of its Advisor, other than by reason of serving as a sub-adviser to one or more of the Subadvised Series or to any existing or future registered open-end management company or series thereof advised by an Advisor ("Affiliated Sub-Advisor").

Advisors is substantially equivalent to that of individual portfolio managers, so that requiring shareholder approval of Sub-advisory Agreements would impose unnecessary delays and expenses on the Subadvised Series. Applicants believe that the requested relief from the Disclosure Requirements meets this standard because it will improve the Advisor's ability to negotiate fees paid to the Sub-Advisors that are more advantageous for the Subadvised Series.

For the Commission, by the Division of Investment Management, under delegated authority.
