the Preliminary Decision Memorandum.4 Methodology

Commerce is conducting this CVD review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we determine that there is a subsidy, i.e., a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.5 For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.6 A list of topics included in the Preliminary Decision Memorandum is included as Appendix I of this notice.

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov, and is available to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at http://enforcement.trade.gov/fm/index.html. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. The petitioner timely withdrew its request for a review of Zhongce Rubber Group Company Limited.7 Two other U.S. importers, ITG Voma Corporation and American Pacific Industries, Inc., also timely withdrew their requests for a review of Shandong Guofeng Rubber Plastic Co., Ltd/ Shandong Guofeng Rubber Plastics.8 Additionally, Hangzhou Yokohama Tire Co., Ltd., Kunhoo Tire Co., Inc., Shandong Changfeng Tyres Co., Ltd., Shandong Changhong Rubber Technology Co., Ltd., Shandong Guofeng Rubber Plastics Co., Ltd., Shandong Zhongyi Rubber Co., and Shengtai Group Co., Ltd., timely withdrew their reviews.9 No other party requested a review of these producers/exporters. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the CVD order on passenger tires from China with respect to these companies.

Preliminary Results of Review

As a result of this review, we preliminarily determine the countervailable subsidy rates to be:

Preliminary Rate for the Non-Selected Companies Under Review

The statute and the Commerce’s regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce as a general rule to calculate an all others rate using the weighted average of the subsidy rates established for the producers/exporters individually examined, excluding any zero, de minimis, or rates based entirely on facts available. In this review, the preliminary subsidy rates calculated for Cooper and Sentury and their cross-owned affiliates are above de minimis and are not based entirely on facts available. Therefore, for the companies for which a review was requested that were not selected as mandatory company respondents and for which we did not receive a timely request for withdrawal of review, and which are not finding to be cross-owned with the mandatory company respondents, we are preliminarily basing the subsidy rate on the subsidy rate calculated for Cooper and Sentury. For a list of these non-selected companies, please see Appendix II to this notice.

Assessment Rates and Cash Deposit Requirement

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, CVDs on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of review. For companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2016, through December 31, 2016, in accordance with 19 CFR 351.212(c)(i)(ii). Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Pursuant to section 751(a)(2)(C) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated CVDs, in the amounts shown above for each of the respective company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice. These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).
