Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Preliminary Results of the Antidumping Duty Administrative Review, Preliminary Determination of No Shipments and Partial Rescission of the Antidumping Duty Administrative Review; 2016-2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain frozen fish fillets from the Socialist Republic of Vietnam (Vietnam) are being, or are likely to be, sold in the United States at less than normal value (NV) during the period of review (POR), August 1, 2016, through July 31, 2017.

DATES: Applicable September 13, 2018.

FOR FURTHER INFORMATION CONTACT: Javier Barrientos, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington DC 20230; telephone: (202) 482-2243.

SUPPLEMENTARY INFORMATION:

Background

On October 16, 2017, Commerce published in the *Federal Register* the notice of initiation of an administrative review of the antidumping duty (AD) order on frozen fish fillets from Vietnam.¹ Commerce initiated a review with respect to 74 companies,² and selected two of these companies, Hung Vuong Group (HVG) and NTSF Seafoods Joint Stock Company (NTSF), as mandatory respondents.³ On March 22, 2018, Commerce partially extended the deadline for issuing the preliminary results.⁴ On June 14, 2018, Commerce fully extended the preliminary results of review to September 4, 2018.⁵

Scope of the Order

The product covered by this review is certain frozen fish fillets from the

Socialist Republic of Vietnam. For a full description of the scope see the Preliminary Decision Memorandum dated concurrently with and hereby adopted by this notice.⁶

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Between December 26, 2017 and January 12, 2018, we received timely withdrawal of review requests for 47 companies from the petitioners and self-requested companies. Of these 47 companies, 34 do not have any other outstanding review requests. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the AD order on certain frozen fish fillets from Vietnam with respect to these 34 companies.⁷ The review will continue with respect to the other firms for which a review was requested and initiated.

Preliminary Determination of No Shipments

Based on the no-shipments letters filed by three companies, Commerce preliminarily determines that these companies had no shipments during the POR. For additional information regarding this determination, including a list of these companies, see the Preliminary Decision Memorandum. Consistent with our assessment practice in non-market economy (NME) administrative reviews, Commerce is not rescinding this review for these companies, but intends to complete the review and issue appropriate instructions to CBP based on the final results of the review.⁸

Separate Rates

Commerce preliminarily determines that information placed on the record by the mandatory respondents HVG and NTSF, as well as by the four other separate rate applicants, demonstrates that these companies are entitled to
