SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82589; File No. SR-NASDAQ-2018-006]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Make a Technical Adjustment to its Rules To Allow Sub-Penny Quoting and Order Entry in Managed Fund Shares Priced Less Than \$1.00

January 26, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 23, 2018, The Nasdaq Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II

below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Nasdaq Rule 5735 to make a technical adjustment to its rules to allow sub-penny quoting and order entry in Managed Fund Shares. This filing is substantively identical to the relevant portion of a NYSE Arca, Inc. filing (SR-NYSEArca-2010-36).³

The text of the proposed rule change is available on the Exchange's website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make a technical adjustment [sic] its rules to allow sub-penny quoting of Managed Fund Shares. Currently, Nasdaq Rule 5735 restricts the minimum price variation for quoting and order entry to \$0.01. Consistent with Regulation NMS Rule 612, the Exchange proposes to remove this provision to allow such securities to be quoted in a minimum pricing increment of \$0.0001 for securities priced less than \$1.00. The Exchange notes that it has not had any of the aforementioned securities quote below a dollar nor does it anticipate such an occurrence in the reasonably foreseeable future. The Exchange simply seeks to harmonize the minimum price variation in the aforementioned product

with other equity securities traded on the Exchange.⁴

Moreover, the Exchange notes that this approach is substantially similar to the approach taken by NYSE Arca in 2010 in eliminating NYSE Arca Equities Rule 8.600 Commentary .03, which restricted the minimum price variation for quoting and order entry for Managed Fund Shares to \$0.01.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanisms of, a free and open market and a national market system.

The Exchange believes that the proposed amendment is consistent with the goal of removing impediments to a free and open market because the changes proposed herein will substantially harmonize Nasdaq's sub-penny quoting and order entry rules with Rule 612 of Regulation NMS which allows a minimum pricing increment of \$0.0001 for securities priced less than \$1.00.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act and the proposed rule change may serve to enhance competition and put the exchange on an equal competitive footing as it pertains to sub-penny quoting and order entry for Managed Fund Shares.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect

the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act⁹ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. As noted above, NYSE Arca, Inc. has already adopted a substantively identical change to its rules.¹¹

According to the Exchange, the proposed rule change will put the Exchange on an equal competitive footing with respect to sub-penny quoting and order entry for Managed Fund Shares priced less than \$1.00. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Section 203(h) of the Act provides, in pertinent part, that if the Commission finds that any person registered under Section 203, or who has pending an application for registration filed under that section, is no longer in existence, is not engaged in business as an investment adviser, or is prohibited from registering as an investment adviser under section 203A, the Commission shall by order cancel the registration of such person.

Each registrant listed in the attached Appendix either (a) has not filed a Form ADV amendment with the Commission as required by rule 204-1 under the Act and appears to be no longer in business as an investment adviser or (b) has indicated on Form ADV that it is no longer eligible to remain registered with the Commission as an investment adviser but has not filed Form ADV-W to withdraw its registration. Accordingly, the Commission believes that reasonable grounds exist for a finding that these registrants are no longer in existence, are not engaged in business as investment advisers, or are prohibited from registering as investment advisers under section 203A, and that their registrations should be cancelled pursuant to section 203(h) of the Act.
