AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this first sunset review, the Department of Commerce (Commerce) finds that revocation of the antidumping duty order on xanthan gum from the People’s Republic of China (China) would be likely to lead to continuation or recurrence of dumping, at the level indicated in the “Final Results of Sunset Review” section of this notice.

DATES: Applicable September 26, 2018.

FOR FURTHER INFORMATION CONTACT: Magd Zalok or Howard Smith, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4162 or (202) 482–5193, respectively.

SUPPLEMENTARY INFORMATION: Background

On July 19, 2013, Commerce published in the Federal Register the antidumping duty order on xanthan gum from China.1 On June 1, 2018, Commerce published the notice of initiation of this sunset review of the Order, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).2 On June 15, 2018, and June 18, 2018, pursuant to 19 CFR 351.216(d)(3)(i), Commerce received timely and complete notices of intent to participate in the sunset review from domestic producers of xanthan gum, Archer Daniels Midland Company (ADM) and CP Kelco U.S., Inc. (CP Kelco), respectively.3 On July 2, 2018, Commerce did not receive a substantive response from any respondent interested party. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.216(e)(1)(iii)(C)(2), we conducted an expedited (120-day) first sunset review of the Order.

Scope of the Order

The product covered by the Order includes dry xanthan gum, whether or not coated or blended with other products. Xanthan gum is included in this order regardless of physical form, including, but not limited to, solutions, slurries, dry powders of any particle size, or unground fiber.
