SUPPLEMENTARY INFORMATION:

Background

In the underlying 2015/2016 administrative review, Commerce selected Jizhou City Huayang Chemical Co., Ltd. (Huayang Chemical) as a mandatory respondent and issued an antidumping duty questionnaire to the company. Huayang Chemical did not respond to the questionnaire and, as a result, Commerce found it ineligible for a separate rate and that it would remain part of the China-wide entity, for which no review was requested.¹ At that time, the rate for the China-wide entity was 453.79 percent, as established in *Final*
