Final Rescission of New Shipper Review

As explained in the Issues and Decision Memorandum, we continue to find that Doo Won is not the producer of the garlic subject to this review. Accordingly, its new shipper review request was invalid under 19 CFR 351.214(b)(2)(ii). As a result, we are rescinding the new shipper review of Doo Won.

Notification to Importers

This notice serves as final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary of Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Return or Destruction of Proprietary Information

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of business proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3).
