

Plan and MTW Supplement to the PHA Plan.

*OMB Approval Number:* 2577–0226.

*Type of Request:* Revision of currently approved collection.

*Form Number(s):* HUD–50075–5Y, HUD–50075–ST, HUD–50075–SM, HUD–50075–HCV, HUD–50075–HP, HUD–50075–MTW, HUD–50077–CR, HUD–50077–SL, HUD–50077–CRT–SM, and HUD–50077–ST–HCV–HP.

*Description of the need for the information and proposed use:* The Public Housing Agency (PHA) Plan was created by section 5A of the United States Housing Act of 1937 (42 U.S.C. 1437c–1). There are two different PHA Plans: The Five-Year Plan and the Annual Plan. The Five-Year Plan describes the agency's mission, long-range goals and objectives for achieving its mission over a five-year period. The Annual PHA Plan is a comprehensive guide to PHA policies, programs, operations, and strategies for meeting local housing needs and goals. This revision integrates the MTW Supplement to the Annual PHA Plan process for PHAs that join MTW under the 2016 Appropriations Act (*i.e.*, MTW Expansion).

The PHA Plans informs HUD, residents, and the public of the PHA's mission for serving the needs of low, very low-income, and extremely low-income families and its strategy for addressing those needs. This information helps provide accountability to the local community for how PHAs spend their funding and implement their policies. Also, PHA plans allow HUD to monitor the performance of programs and the performance of public housing agencies that administer them.

HUD's most recent action in July of 2016 was to revise the collection in response to public comments urging HUD to return to earlier multiple versions of the PHA Plan templates by specific PHA type (*e.g.* standard, small, high performer, Section 8 only) instead of a "One-Size Fits All" form. HUD also added a section to accommodate the new requirements of the Affirmatively Furthering Fair Housing (AFFH) Rule, other public comments from 2013, and a minor change made in late 2014. OMB approved the changes as a full revision, but the 2016 versions of the forms were not made public due to ongoing changes to AFFH policies.

With this current proposed information collection, HUD intends to add a new template titled HUD–50075–MTW, and further modify the 5-Year and Annual PHA Plan Templates as well as the accompanying certifications in the following manner:

(1) Revise the instructions provided on the Assessment of Fair Housing (AFH) ensuring that program participants continue to conduct the Analysis of Impediments (AI) to fair housing until they are required to submit an AFH.

(2) Create a new section on all certifications to give program participants the option to add an explanation when they cannot certify to being fully compliant with the stated regulations.

(3) Specify on related certifications that the signed acknowledgement of the 'authorizing official' must be of the PHA Executive Director (ED) and Board Chairperson.

(4) Add the Moving to Work (MTW) Supplement template to the collections which will serve as the reporting mechanism to the Department for the new 100 MTW agencies that will be designated pursuant to the MTW Expansion authorized by the Appropriations Act of 2016 (*i.e.*, MTW Expansion).

Finally, the burden hours of the collection will increase by 600 hours due to an estimated 6.0 hours needed per MTW Supplement applicable to 100 new MTW agencies. However, it should be noted that, due to the de-coupling of Capital Fund Program activities from PHA Plan submissions in 2016, (HUD–50075.1 and HUD–50075.2 Capital Fund Annual Statement/Performance and Evaluation Report and 5-Year Action Plan forms), the associated burden hours (10,070) were removed from the approval for the PHA Plan under OMB no. 2577–0226. Therefore, the added burden of the MTW Supplement is relatively minor.

Revisions are made to this collection to reflect adjustments in calculations based on the total number of current, active public housing agencies (PHAs) to date. The number of active public housing agencies has changed from 3,819 to 3,780 since the last approved information collection. The number of PHAs can fluctuate due to many factors, including but not limited to performance scoring, the merging of two or more PHAs or the termination of the public housing and/or voucher programs due to the Rental Assistance Demonstration (RAD).

*Respondents (i.e., affected public):* Local, Regional and State Body Corporate Politic Public Housing Agencies (PHAs) Governments.

*Estimated Number of Respondents:* 3,780.

*Estimated Number of Responses:* 4,832 (Annual Plan: 1,052 and 5 Year Plan: 3,780).

*Frequency of Response:* Every five years for all PHAs, annually for all PHAs except HERA Qualified PHAs.  
*Average Hours per Response:* 6.2 hrs.  
*Total Estimated Burdens:* 12,371.

#### A. Overview of Information Collection

*Title of Information Collection:* Indian Housing Block Grant (IHBG) Competitive Program.

*OMB Approval Number:* 2577-0218.

*Type of Request:* Revision of a currently approved collection.

*Form Numbers:* HUD-53246, HUD-53247, HUD-52737, HUD-4117, HUD-4119, HUD-52736-A, SF-424, HUD-2880, HUD-2993.

*Description of the need for the information and proposed use:* The purpose of this notice is to solicit public comment on the Notice of Funding Availability (NOFA), and two new forms (IHBG Cost Summary (HUD-53246), and IHBG Implementation Schedule (HUD-53247)) associated with the Indian Housing Block Grant Competitive program (IHBG Competitive).

In Fiscal Year 2018, Congress enacted H.R. 1625—Consolidated Appropriations Act, 2018 (Pub. L. 115-141) (Effective: 3/23/18) that appropriated \$99,000,000 for IHBG Competitive funding awards under the Native American Housing Assistance and Self-Determination Act (NAHASDA) of 1996 (25 U.S.C. 4101 *et seq.*). The Department will give priority to projects that will spur construction and rehabilitation from NAHASDA-eligible recipients while considering need and administrative capacity. Additionally, applicants may apply for other eligible activities under Section 202 of NAHASDA. Applicants for

competitive IHBG funds are required to submit a grant application in response to a NOFA that includes a narrative response to the NOFA requirements, Application for Federal Assistance (SF-424), Applicant/Recipient Disclosure/Update Report (HUD-2880), Acknowledgement of Application Receipt (HUD-2993), IHBG Cost Summary (HUD-53246), and IHBG Implementation Schedule (HUD-53247). At the end of the 12-month program year, awardees are required to submit Annual Performance Reports (HUD-52737) that describe accomplishments, outcomes, and outputs. *Note:* The Annual Performance Report (HUD-52737) is not part of this information collection and displays a valid OMB Control Number through July 31, 2018.

The Department believes that the funding for IHBG Competitive meets the emergency processing criteria of 5 CFR 1320.13. The appropriations language meets the “unanticipated event” criteria of 5 CFR 1320.13 because this additional funding creates an entirely new competitive grant program to supplement the traditional formula-based block grant program of NAHASDA. Furthermore, the Department believes that the information collection associated with this competitive grant warrants emergency processing because following the regular PRA schedule would impede both the intent of this additional appropriation and HUD's goal to award funding to Native American communities in an expedited manner. The “Consolidated Appropriations Act of 2018” also directs the Department to give priority to projects that will “spur construction and rehabilitation for grantees” and the additional amount would “remain available until September 30, 2022.” For example, construction projects in Indian Country can take three to five years from start to completion due to remote locations and complex land issues. Following an expedited emergency processing time frame would maximize the limited period of availability given by Congress for recipients to plan and implement projects as soon as possible.

*Respondents:* Native American Tribes, Alaska Native Villages and Corporations, and Tribally Designated Housing Entities.
