

navigation position during the deviation period.

DATES: This deviation is effective from 8 a.m. through 10 a.m. on October 20, 2018.

ADDRESSES: The docket for this deviation, USCG–2018–0894, is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Carl T. Hausner, Chief, Bridge Section, Eleventh Coast Guard District; telephone 510–437–3516, email Carl.T.Hausner@uscg.mil.

SUPPLEMENTARY INFORMATION: The California Department of Transportation has requested a temporary change to the operation of the Tower Drawbridge, mile 59.0, over the Sacramento River, at Sacramento, CA. The drawbridge navigation span provides a vertical clearance of 30 feet above Mean High Water in the closed-to-navigation position. The draw operates as required by 33 CFR 117.189(a). Navigation on the waterway is commercial and recreational.

The drawspan will be secured in the closed-to-navigation position from 8 a.m. to 10 a.m. on October 20, 2018, to allow the community to participate in the Be the Gift 5K walk/run. This temporary deviation has been coordinated with the waterway users. No objections to the proposed temporary deviation were raised.

Vessels able to pass through the bridge in the closed position may do so at anytime. The bridge will be able to open for emergencies and there is no immediate alternate route for vessels to pass. The Coast Guard will also inform the users of the waterway through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: September 27, 2018.

Carl T. Hausner,
District Bridge Chief, Eleventh Coast Guard District.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG–2018–0942]

Drawbridge Operation Regulation; Curtis Creek, Baltimore, MD

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the I695 Bridge across Curtis Creek, mile 1.0, at Baltimore, MD. The deviation is necessary to facilitate maintenance. This deviation allows the bridge to remain in the closed-to-navigation position.

DATES: This deviation is effective without actual notice from October 15, 2018 through 7 p.m. on October 19, 2018. For the purposes of enforcement, actual notice will be used from 7 a.m. on October 1, 2018, until October 15, 2018.

ADDRESSES: The docket for this deviation, [USCG–2018–0942] is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH”. Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Mr. Hal R. Pitts, Bridge Administration Branch Fifth District, Coast Guard; telephone (757) 398–6222, email Hal.R.Pitts@uscg.mil.

SUPPLEMENTARY INFORMATION: The Cianbro Corporation, on behalf of the Maryland Transportation Authority, owner and operator of the I695 Bridge across Curtis Creek, mile 1.0, at Baltimore, MD, has requested a temporary deviation from the current operating schedule to accommodate maintenance. The current operating regulation is set out in 33 CFR 117.557.

Under this temporary deviation, the east bascule draw of the south span will be maintained in closed-to-navigation position and the west bascule draw of the south span will be maintained in the open-to-navigation position from 7 a.m. on October 1, 2018, through 7 p.m. on October 19, 2018. The north span will open on signal if at least a one-hour notice is given. At all other times the bridge will operate per 33 CFR 117.557. During the closure of the east bascule draw of the south span, the I695 Bridge will provide 100 feet of horizontal clearance and unlimited vertical

clearance in the open position and 200 feet of horizontal clearance and 58 feet of vertical clearance above mean high water in the closed position.

Curtis Creek is used by military vessels, recreational vessels, tug and barge traffic, fishing vessels, and small commercial vessels. The Coast Guard has carefully considered the nature and volume of vessel traffic on the waterway and coordinated with maritime stakeholders in publishing this temporary deviation.

Vessels able to pass through the bridge in the closed position or with the east bascule draw of the south span in the closed position may do so at any time. The bridge will be able to open on signal for emergency or urgent vessel transits from 7 a.m. to 7 p.m., Monday through Saturday, if at least a one-hour notice is given; and from 7 p.m. to 7 a.m., and from 7 a.m. to 7 p.m. on Sunday, October 7, 2018, and Sunday, October 14, 2018, if at least a four-hour notice is given. There is no immediate alternate route for vessels unable to pass through the bridge in the closed position or with the east bascule draw of the north span in the closed position. The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notice to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by this temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of this effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: October 9, 2018.

Hal R. Pitts,
Bridge Program Manager, Fifth Coast Guard District.

33 CFR Part 165

[Docket Number USCG–2018–0832]

RIN 1625–AA00

Safety Zone; Head of the Buffalo Regatta; Buffalo River, Buffalo, NY

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for certain waters of the Buffalo River during the Head of the Buffalo Regatta. This safety zone is intended to restrict vessels from portions of the Buffalo River during the Head of the Buffalo Regatta. This temporary safety zone is necessary to protect mariners and racers from the navigational hazards associated with the regatta.

DATES: This rule is effective from 8 a.m. until 6 p.m. on October 20, 2018.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2018-0832 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email LTJG Sean Dolan, Chief of Waterways Management, U.S. Coast Guard Sector Buffalo; telephone 716-843-9322, email D09-SMB-SECBuffalo-WWM@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
 DHS Department of Homeland Security
 FR Federal Register
 NPRM Notice of proposed rulemaking
 § Section
 U.S.C. United States Code

II. Background Information and Regulatory History

On September 5, 2018 the Coast Guard published a Notice of Proposed Rulemaking (NPRM) titled Head of the Buffalo Regatta; Buffalo River, Buffalo, NY § 165.T09-0832. In that we discussed why we issued the NPRM and invited comments on our proposed regulatory action related to this regatta. The comment period ended October 5, 2018; we received one comment relating to the event. The comment questions whether economic factor were considered in the proposed rule. Our economic analysis in section V below did consider the economic ramifications of the proposed rule. The comment also questioned whether the canalside businesses would lose money. The proposed rule allows for vessels to transit through it when permitted by the COTP. The comment also questioned whether the rule would affect the operation of the lift bridges, but this rule does not affect the operation of the bridges.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The

Captain of the Port Buffalo (COTP) has determined that a large-scale paddle craft event on a navigable waterway will pose a significant risk to participants and the boating public. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the Head of the Buffalo Regatta is happening.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received one comment on our NPRM published September 5, 2018, and there was no objection to the proposed rule. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a safety zone from 8:00 a.m. until 6:00 p.m. on October 20, 2018. The safety zone will cover all navigable waters between the two points starting at position 42°52'19.4" N, 78°52'25.3" W, and ending at position 42°51'36.7" N, 78°50'56.0" W, on the Buffalo River, Buffalo, NY. The duration of the zone is intended to ensure the safety of vessels and these navigable waters before, during, and after the scheduled rowboat races between 8 a.m. and 6 p.m.

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the COTP Buffalo or his designated on-scene representative. The COTP or his designated on-scene representative may be contacted via VHF Channel 16.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the characteristics of the safety zone. The safety zone created by this rule will be relatively small and is designed to minimize its impact on navigable waters. Furthermore, the safety zone has been designed to allow vessels to transit around it. In addition, the safety zone will designate times when races are not occurring; allowing vessels to travel through the safety zone. Thus, restrictions on vessel movement within that particular area are expected to be minimal. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by the COTP.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-

888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a

significant effect on the human environment. This rule involves establishment of a safety zone. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

- 2. Add § 165.T09-0832 to read as follows:

§ 165.T09-0832 Safety Zone; Head of the Buffalo Regatta; Buffalo River, Buffalo, NY.

(a) *Location.* The safety zone will encompass all waters of the Buffalo River, Buffalo, NY, beginning at position 42°52'19.4" N, 78°52'25.3" W to 42°51'36.7" N, 78°50'56.0" W.

(b) *Enforcement period.* This rule is effective from 8 a.m. until 6 p.m. on October 20, 2018.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Buffalo or his designated on-scene representative.

(3) The "on-scene representative" of the Captain of the Port Buffalo is any Coast Guard commissioned, warrant or

petty officer who has been designated by the Captain of the Port Buffalo to act on his behalf.

(4) Vessel operators desiring to enter or operate within the safety zone must contact the Captain of the Port Buffalo or his on-scene representative to obtain permission to do so. The Captain of the Port Buffalo or his on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Buffalo, or his on-scene representative.

Dated: October 9, 2018.

Joseph S. Dufresne,

Captain, U.S. Coast Guard, Captain of the Port Buffalo.

BILLING CODE 9110-04-P

LIBRARY OF CONGRESS

Copyright Office

37 CFR Part 201

[Docket No. 2018-6]

Streamlining the Administration of DART Royalty Accounts and Electronic Royalty Payment Processes

AGENCY: U.S. Copyright Office, Library of Congress.

ACTION: Final rule.

SUMMARY: The U.S. Copyright Office is establishing a rule to codify its procedures for closing royalty payments accounts under section 1005 of the Copyright Act, and is amending its regulations governing online payment procedures for statutory licensing statements of account to no longer require that payments for these accounts be made in a single lump sum. These changes are intended to improve the efficiency of the Copyright Office's Licensing Division operations.

DATES: Effective November 14, 2018.

FOR FURTHER INFORMATION CONTACT: Regan A. Smith, General Counsel and Associate Register of Copyrights, by email at regans@copyright.gov, or Jalyce Mangum, Attorney-Advisor, by email at jmangum@copyright.gov. Each can be contacted by telephone by calling (202) 707-8350.

SUPPLEMENTARY INFORMATION:

I. Background

On July 11, 2018 (83 FR 32068), the Office published a Notice of Proposed Rulemaking ("NPRM") to streamline the administration of digital audio
