42696, 42697 (2018). "Moreover, in the absence of an application (whether timely filed or not), there is nothing to act upon." 

Pursuant to 28 CFR 0.100(b) and the authority thus vested in me by 21 U.S.C. 824(a), I order that the Order to Show Cause issued to Phillip O. Rawlings, Jr., M.D., be, and it hereby is, dismissed.

This Order is effective immediately.

The Drug Enforcement Administration (DEA) has considered the factors in 21 U.S.C. 823, 952(a) and 958(a) and determined that the registration of the listed registrant to import the applicable basic classes of schedule I or II controlled substances is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971. The DEA investigated the company’s maintenance of effective controls against diversion by inspecting and testing each company’s physical security systems, verifying the company’s compliance with state and local laws, and reviewing the company’s background and history.

Therefore, pursuant to 21 U.S.C. 952(a) and 958(a), and in accordance with 21 CFR 1301.34, the DEA has granted a registration as an importer for schedule I or II controlled substance to the above listed company.

Dated: September 26, 2018.

Uttam Dhillon,
Acting Administrator.
