Full-length written public comments may also be sent to that email address. All emails to register for public comment at the quarterly meeting must be received by Monday, October 22, 2018. Priority will be given to those individuals who are in-person to provide their comments during the public comment period. Those commenters on the phone will be called on per the list of those registered via email. Due to time constraints, NCD asks all commenters to limit their comments to three minutes. Comments received at the October quarterly meeting will be limited to those regarding NCD’s bioethics and disability research areas—organ transplants; medical futility; Quality Adjusted Life Years; physician assisted suicide; and genetic testing.

Those who plan to attend the meeting in-person and require accommodations should notify NCD as soon as possible to allow time to make arrangements.
