SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84386; File No. SR-NASDAQ-2018-078]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend, Reorganize and Enhance Its Membership, Registration and Qualification Rules

October 9, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 27, 2018, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend, reorganize and enhance its membership, registration and qualification rules, and to make conforming changes to certain other rules.

The text of the proposed rule change is available on the Exchange’s website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose Overview

Nasdaq has adopted registration requirements to ensure that associated persons attain and maintain specified levels of competence and knowledge pertinent to their function. In general, the current rules require that persons engaged in a member’s investment banking or securities business who are to function as representatives or principals register with the Exchange in each category of registration appropriate to their functions by passing one or more qualification examinations,³ and exempt specified associated persons from the registration requirements.⁴ They also prescribe ongoing continuing education requirements for registered persons.⁵ The Exchange now proposes to amend, reorganize and enhance its rules regarding registration, qualification examinations and continuing education, as described below.

In 2006 Nasdaq separated from the National Association of Securities Dealers, Inc. (formerly “NASD” and now the Financial Industry Regulatory Authority or “FINRA”) and began to operate as a national securities exchange. At that time it adopted a rulebook with provisions respecting registration, qualification examinations and continuing education that were designed to parallel the NASD rulebook

in many respects.⁶ Recently, the Commission approved a FINRA proposed rule change consolidating and adopting NASD and Incorporated NYSE rules relating to qualification and registration requirements into the Consolidated FINRA Rulebook,⁷ restructuring the FINRA representative-level qualification examinations, creating a general knowledge examination and specialized knowledge examinations, allowing permissive registration, establishing an examination waiver process for persons working for a financial services affiliate of a member, and amending certain continuing education (“CE”) requirements (collectively, the “FINRA Rule Changes”).⁸ The FINRA Rule Changes will become effective on October 1, 2018.

The Exchange now proposes to amend, reorganize and enhance certain of its corresponding membership, registration and qualification requirements rules in part in response to the FINRA Rule Changes, and also in order to facilitate the adoption of similar membership, registration and qualification rules by Nasdaq’s affiliated exchanges in the interest of uniformity and to facilitate compliance with membership, registration and qualification regulatory requirements by members of multiple Nasdaq-affiliated exchanges. At the same time, the Exchange is proposing to further amend or delete certain existing Exchange rules originally based upon FINRA rules but

⁶ See Securities Exchange Act Release No. 54136 (July 12, 2006), 71 FR 40759 (July 18, 2006).

⁷ The current FINRA rulebook consists of: (1) FINRA rules; (2) NASD rules; and (3) rules incorporated from the New York Stock Exchange (“NYSE”) (the “Incorporated NYSE rules”). While the NASD rules generally apply to all FINRA members, the Incorporated NYSE rules apply only to those members of FINRA that are also members of the NYSE.

⁸ See Securities Exchange Act Release No. 81098 (July 7, 2017), 82 FR 32419 (July 13, 2017) (Order Approving File No. SR-FINRA-2017-007). See also FINRA Regulatory Notice 17-30 (SEC Approves Consolidated FINRA Registration Rules, Restructured Representative-Level Qualification Examinations and Changes to Continuing Education Requirements) (October 2017). FINRA articulated its belief that the proposed rule change would streamline, and bring consistency and uniformity to, its registration rules, which would, in turn, assist FINRA members and their associated persons in complying with the rules and improve regulatory efficiency. FINRA also determined to enhance the overall efficiency of its representative-level examinations program by eliminating redundancy of subject matter content across examinations, retiring several outdated representative-level registrations, and introducing a general knowledge examination that could be taken by all potential representative-level registrants and the general public. FINRA amended certain aspects of its continuing education rule, including by codifying existing guidance regarding the effect of failing to complete the Regulatory Element on a registered person’s activities and compensation.

⁴ See Rule 1060, Persons Exempt from Registration.

⁵ See Rule 1120, Continuing Education Requirements.
