AGENCY: Office of Planning, Research, and Evaluation; ACF; HHS.

ACTION: Request for public comment.

Title: Annual Survey of Refugees (OMB #0907-0033).

SUMMARY: The Administration for Children and Families (ACF) within the U.S. Department of Health and Human Services (HHS) seeks to continue data collection for the Annual Survey of Refugees with minor updates to improve survey administration procedures. The Annual Survey of Refugees is a yearly sample survey of refugees entering the U.S. in the previous five fiscal years. No changes to the survey instrument or estimated response burden are proposed.

Data from the Annual Survey of Refugees are used to meet the Office of Refugee Resettlement's Congressional reporting requirements, as set forth in the Refugee Act of 1980 (Section 413(a) of the Immigration and Nationality Act). The ACF Office of Refugee Resettlement makes aggregated survey findings available to the general public and uses findings for the purposes of program planning, policy-making, and budgeting.

Respondents: The Annual Survey of Refugees secures a nationally-representative sample of refugee households arriving in the United States in the previous five fiscal years.
