[B-62-2018]

Foreign-Trade Zone (FTZ) 294— Western Kentucky; Notification of Proposed Production Activity; Mayfield Consumer Products (Candles); Mayfield and Hickory, Kentucky

The Paducah McCracken County Riverport Authority, grantee of FTZ 294, submitted a notification of proposed production activity to the FTZ Board on behalf of Mayfield Consumer Products (MCP), located in Mayfield and Hickory, Kentucky. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on October 10, 2018.

The applicant has submitted a separate application for FTZ designation at the MCP facility under FTZ 294. The MCP facility is used for the production of candles. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt MCP from customs duty payments on the foreign-status components used in export production. On its domestic sales, for the foreign-status materials/components noted below, MCP would be able to choose the duty rates during customs entry procedures that apply to filled jar candles (duty-free). MCP would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include: Glass jars;

tin lids; cardboard boxes; and, wood pulp inserts (duty rate ranges from duty-free to 6%). The request indicates that certain materials/components are subject to special duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is November 26, 2018.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230-0002, and in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz.

For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482-0473.

Dated: October 11, 2018.

SUPPLEMENTARY INFORMATION:

Background

On April 10, 2018, Commerce published the *Preliminary Results* of this administrative review in the **Federal Register**.¹ We invited interested parties to comment on the *Preliminary Results*. On May 2, 2018, Commerce postponed the final results of review until October 9, 2018.² In July 2018, we received timely case and rebuttal briefs from APRIL, the Government of Indonesia, and the petitioners. Based on an analysis of the comments received, Commerce made changes to the subsidy rates determined for APRIL. The final subsidy rates are listed below in the "Final Results of Administrative Review" section.

Changes Since the Preliminary Results

Based on the comments received from the interested parties, we made changes to our subsidy rate calculations. For a discussion of these issues, *see* the Issues and Decision Memorandum.

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we find that there is a subsidy, *i.e.*, a financial contribution from a government or public entity that gives rise to a benefit to the recipient, and that the subsidy is

specific.⁴ For a full description of the methodology underlying all of Commerce’s conclusions, *see* the Issues and Decision Memorandum.

Final Results of Administrative Review

In accordance with section 777A(e) of the Act and 19 CFR 351.221(b)(5), we determine the following countervailable subsidy rates for 2015 and 2016:

Company	2015 Ad Valorem rate	2016 Ad Valorem rate
APRIL Fine Paper Macao Commercial Offshore Limited/PT Anugrah Kertas Utama/PT Riau Andalan Kertas/PT Intiguna Primatama/PT Riau Andalan Pulp & Paper/PT Esensindo Cipta Cemerlang/PT Sateri Viscose International/PT ITCI Hutani Manunggal	11.71%	5.13%

Assessment Rates

In accordance with 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue assessment instructions to CBP 15 days after the date of publication of the final results of this review.

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount calculated for 2016. For all non-reviewed firms, we will instruct CBP to collect cash deposits at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 9, 2018.
