Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission’s burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

OMB Control Number: 3060–1122. Form No.: Not applicable. Type of Review: Extension of a currently approved collection. Respondents: State, Local or Tribal Government. Number of Respondents and Responses: 56 respondents and 56 responses.

Nature and Extent of Confidentiality: There is no need for confidentiality. Needs and Uses: The Federal Communications Commission (Commission) is directed by statute (New and Emerging Technologies 911 Improvement Act of 2008, Public Law 110–283, 122 Stat. 2620 (2008) (NET 911 Act)) to submit an annual “Fee Accountability Report” to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Energy and Commerce of the House of Representative “detailing the status in each State of the collection and distribution of fees or charges for the support or implementation of 911 or enhanced 911 services,” including “findings on the amount of revenues obligated or expended by each State or political subdivision thereof for any purpose other than the purpose for which any such fees or charges are specified.” (NET 911 Act, 122 Stat. at 2622).

The statute directs the Commission to submit its first annual report within one year after the date of enactment of the NET 911 Act. Given that the NET 911 Act was enacted on July 23, 2008, the first annual report was due to Congress on July 22, 2009.

Description of Information Collection: The Commission will collect information for the annual preparation of the Fee Accountability Report via a web-based survey that appropriate State officials (e.g., State 911 Administrators and Budget Officials) will be able to access to submit data pertaining to the collection and distribution of fees or charges for the support or implementation of 911 or enhanced 911 services, including data regarding whether their respective state collects and distributes such fees or charges, the nature (e.g., amount and method of assessment or collection) and the amount of revenues obligated or expended for any purpose other than the purpose for which any such 911 or enhanced 911 service fees or charges are specified. Consistent with Sections 6(f) of the NET 911 Act, the Commission will request that state officials report this information with respect to the fees and charges in connection with implementation of 911 or E–911 services within their state, including any political subdivision, Indian tribe and/or village and regional corporation serving any region established pursuant to the Alaska Native Claims Settlement Act that otherwise lie within their state boundaries. In addition, consistent with the definition of “State” set out in Section 3(40) of the Communications Act, the Commission will collect this information from, states as well as the District of Columbia and the inhabited U.S. Territories and possessions.

FEDERAL MARITIME COMMISSION

[Petition No. P5–17]

Petition of Ocean Network Express Pte. Ltd. for an Exemption; Notice of Filing and Request for Comments

Notice is hereby given that Ocean Network Express Pte. Ltd. (“Petitioner”), has petitioned the Commission pursuant to 46 CFR 502.94 for an exemption from filing individual service contract amendments.

Petitioner states that it will soon “. . . acquire the assets of the container shipping divisions of Kawasaki Kisen Kaisha, Ltd. ("K Line"); Mitsu O.S.K. Lines, Ltd. ("MOL");; and Nippon Yusen Kaisha ("NYK") on or about April 1, 2018, at which point [the Petitioner] will operate as an ocean common carrier.” Petitioner states it will obtain approximately 4,800 service contracts from K Line, MOL, and NYK. Petitioner claims “[it] would be an undue burden on [itself] and its shipper parties to prepare and file an individual amendment for each of these service contracts.” Petitioner claims “[the] relief sought in this petition is . . . purely administrative in nature.” Petitioner intends to issue a “. . . notice that will cross-reference [its new] tariffs, which will govern the assigned service contracts, thereby eliminating the need to amend the service contracts to identify the [Petitioner’s] tariffs as the governing tariffs.”

In order for the Commission to make a thorough evaluation of the exemption requested in the Petition, interested parties are requested to submit views or arguments in reply to the Petition no later than January 10, 2018. Replies shall be sent to the Secretary by email to Secretary@fmc.gov or by mail to Federal Maritime Commission, 800 North Capitol Street NW, Washington, DC 20573–0001, and replies shall be served on Petitioner’s counsels, Wayne R. Rhode, Cozen O’Connor, 1200 19th Street NW, #300, Washington, DC 20036, wrohde@cozen.com, and Joshua P. Stein, Cozen O’Connor, 1200 19th Street NW, #300, Washington, DC 20036, jstein@cozen.com.

Non-confidential filings may be submitted in hard copy to the Secretary at the above address or by email as a PDF attachment to Secretary@fmc.gov and include in the subject line: P5–17 (Commenter/Company). Confidential filings should not be filed by email. A confidential filing must be filed with the Secretary in hard copy only, and be accompanied by a transmittal letter that identifies the filing as “Confidential–Restricted” and describes the nature and extent of the confidential treatment requested. The Commission will provide confidential treatment to the extent allowed by law for confidential submissions, or parts of submissions, for which confidentiality has been requested. When a confidential filing is submitted, there must also be submitted a public version of the filing. Such public filing version will exclude confidential materials, and shall indicate on the cover page and on each affected page “Confidential materials excluded.” Public versions of confidential filings may be submitted by email. The Petition will be posted on the Commission’s website at http://www.fmc.gov/P5–17. Replies filed in response to the Petition will also be posted on the Commission’s website at this location.
