3.3.4 Upstart No-Action Letter

The Bureau is continuing to monitor Upstart Network, Inc. (Upstart) regarding its compliance with the terms of the no-action letter (NAL) it received from Bureau staff. As part of its request for a NAL, Upstart agreed to conduct ongoing fair lending testing of its underwriting model, notify the Bureau before new variables are considered eligible for use in production, and maintain a robust model-related compliance management system.

In addition to the ongoing fair lending testing discussed above, Upstart agreed as part of its request for a NAL to employ other consumer safeguards. These safeguards, which are described in the application materials posted on the Bureau's website, include ensuring compliance with requirements to provide adverse action notices under Regulation B and the Fair Credit Reporting Act and its implementing regulation, Regulation V, and ensuring that all of its consumer-facing communications are timely, transparent, and clear, and use plain language to convey to consumers the type of information that will be used in underwriting. Upstart has committed to monitoring the effectiveness of all safeguards and sharing the results of its testing, along with other relevant information, with the Bureau during the term of the NAL.

On July 18, 2018, the Bureau announced the creation of its Office of Innovation, to foster consumer-friendly innovation, which is now a key priority for the Bureau. The Office of Innovation is in the process of revising the Bureau's NAL and trial disclosure policies, in order to increase participation by companies seeking to advance new products and services.

4. Conclusion

The Bureau expects that the publication of *Supervisory Highlights* will continue to aid Bureau-supervised entities in their efforts to comply with Federal consumer financial law. The report shares information regarding general supervisory and examination findings (without identifying specific institutions, except in the case of public enforcement actions), communicates operational changes to the program, and provides a convenient and easily

Distribution of Residual Citronelle Settlement Agreement Funds

AGENCY: Office of Hearings and Appeals, Department of Energy.

ACTION: Implementation of special refund procedures.

SUMMARY: The Office of Hearings and Appeals (OHA) of the Department of Energy (DOE) finalizes the procedures for the disbursement of residual funds (totaling approximately \$59,000) remaining in various Citronelle Settlement Agreement escrow accounts to the parties to the Agreement.

DATES: This plan is applicable October 18, 2018.

ADDRESSES: Inquiries should be sent to the Office of Hearings and Appeals, U.S. Department of Energy, 1000 Independence Ave. SW, Washington, DC 20585-0107, (202) 287-1550, Email: kristin.martin@hq.doe.gov.

FOR FURTHER INFORMATION CONTACT:

Kristin L. Martin, Attorney-Advisor, Office of Hearings and Appeals, U.S. Department of Energy, 1000 Independence Ave. SW, Washington, DC 20585-0107, (202) 287-1550, Email: kristin.martin@hq.doe.gov.

SUPPLEMENTARY INFORMATION: In this Notice, we announce the final procedures for the distribution of the remaining Citronelle Settlement Agreement Funds.

The Office of Hearings and Appeals published a Notice of proposed final procedures for the distribution of the Citronelle Settlement Agreement Funds in the **Federal Register** on September 11, 2018. 83 FR 45916 (September 11, 2018). In the September 11 Notice, we described the history of the Citronelle Settlement Agreement and its relevant contents. We then set forth a proposed plan to distribute the remaining Settlement Agreement funds.

The Office of Hearings and Appeals provided a 30 day opportunity for public comment on the proposed plan. No comments were submitted during that time. Accordingly, no changes have been made to the final plan.

Procedure for Final Distribution of Citronelle Settlement Agreement Funds

The Citronelle Settlement Agreement funds will be distributed according to the following plan. Any funds remaining after the final distributions made in accordance with this plan will be considered unclaimed and will be transferred to the U.S. Treasury. Final distribution amounts will be calculated using the distribution percentages listed in an appendix to this Notice on October 18, 2018.

A. The Non-Litigant Refiners Account

The Agreement requires that the balance of the Non-Litigant Refiners account be distributed to the Refiner-Litigants through an escrow account established for that purpose for the initial distribution of Citronelle funds and managed by the law firm Miller & Chevalier. Miller & Chevalier no longer represents the Refiner-Litigants. Further, DOE has not been able to obtain documentation regarding how previous Citronelle distributions were made among the various firms comprising the Refiner-Litigants. In light of these facts and because the Citronelle distribution proportions agreed to by the Refiner-Litigants were not a part of the Agreement and thus not binding on DOE, we propose that the Refiner-Litigant portion of the funds be divided in equal proportions for the firms, or successor firms, listed in Exhibit A of the Agreement. A list of these firms is

included as an appendix to this Notice. If a listed firm, or successor firm, does not submit the Required Information described below by the specified deadline, the funds will be considered unclaimed and will be transferred to the U.S. Treasury.

B. The Airlines Account

The remaining Airlines account funds will be split according to the percentages prescribed in the Settlement Agreement. Two sevenths of the Airlines account funds will be distributed to the United States Treasury. Two sevenths of the Airlines account funds will be distributed to the Refiner-Litigants Escrow Account. Two sevenths of the Airlines account funds will be distributed to the States in the proportions listed in Exhibit L of the Agreement.

One seventh of the Airlines account funds will be allocated to the End-Users account, which will be distributed in the same proportions as the residual Subpart V funds were distributed pursuant to our notice in 72 FR 46461, 46462 (August 14, 2007). The funds will be split equally, with half distributed to the United States Treasury and half distributed to the States. The funds distributed to the States will be divided in the proportions used for the final distribution of the Subpart V funds, which are identical to those listed in Exhibit L of the Agreement. All funds distributed to the States are subject to the same restricted uses as those received by that State as a result of the settlement of the case known as *In Re: Stripper Well Litigation*, M.D.L. No. 378. A list of distribution percentages is included as an appendix to this Notice. If a State does not submit the Required Information described below by the specified deadline, the funds will be considered unclaimed and will be transferred to the U.S. Treasury.

C. Required Information

In order to receive its allotted funds, each Recipient, including State Recipients, must submit the following no later than January 16, 2019.

- *Statement of Intent:* The Statement should be brief and include the Recipient's name and the representative's authority to claim the Recipient's funds.
- *Information Required by the Agreement:* The Agreement requires that certain Releases of Claims be executed and submitted to DOE before Recipients may receive distributions.

- If a Recipient has not ever submitted the relevant Release of Claims, it should contact DOE at the below address to obtain a copy of the

release, and should submit the executed release with the other required information described in this section.

- If a Recipient has previously submitted the relevant Release of Claims, it should submit to DOE a notarized statement certifying that it has submitted the release. The notarized statement should be submitted with the other required information described in this section.

- *Electronic Funds Transfer (EFT) Information:* Each Recipient must submit all information necessary for DOE to make an electronic distribution of funds, including the name and contact information (phone number, email address, and mailing address) of a person designated to be the Point of Contact, banking information, and Tax ID number. DOE will not contact Recipients regarding problems, discrepancies, or other issues with EFT information. DOE will notify the designated Point of Contact when the EFT is initiated. If an EFT is unsuccessful and the Recipient does not contact DOE to correct the error by the 14th day following the EFT initiation, the amount not distributed will be considered unclaimed and will be transferred to the United States Treasury.

Submissions should in PDF format and must be submitted by email to OHA.Filings@hq.doe.gov. The subject line should include "Citronelle Settlement Agreement Recipient Documents" and the name of the State or other Recipient. The Releases of Claims contained in the Agreement's Exhibits may be obtained by contacting Kristin L. Martin, Attorney-Advisor, Office of Hearings and Appeals, by email at Kristin.Martin@hq.doe.gov, or by telephone at 202-287-1550.
