The company plans to import phenylaceton (8501), and poppy straw concentrate (9670) to bulk manufacture other controlled substances for distribution to its customers. The company plans to import an intermediate form of tapentadol (9780) to bulk manufacture tapentadol (9780) for distribution to its customers.

The company plans to import impurities of buprenorphine that have been determined by DEA to be captured under drug code (9333) thebaine.

In reference to drug codes 7360 and 7370, the company plans to import a synthetic cannabidiol and a synthetic tetrahydrocannabinol. No other activity for these drug codes is authorized for this registration. Placement of these drug codes onto the company’s registration does not translate into approval of subsequent permit applications to import controlled substances. Approval of permit applications will occur only when the applicant’s business activity is consistent with what is authorized under 21 U.S.C. 952(a)(2). Authorization will not extend to the import of FDA approved or non-approved finished dosage forms for commercial sale.

Dated: October 10, 2018.

John J. Martin,
Assistant Administrator.
