

Department sponsoring the collection:

The form number is CJ-52. The applicable component within the Department of Justice that is sponsoring this collection is the Bureau of Justice Statistics, Office of Justice Programs.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* This information collection is a census of regional, state, and local law enforcement training academies that operated a basic training program in 2018. The 2018 survey builds upon the previous three iterations of the CLETA data collection referencing 2013, 2006, and 2002. BJS plans to field the 2018 CLETA from January through August 2019. The information will provide national statistics on staff, recruits/trainees, curricula, facilities, and policies of law enforcement training academies.

Abstract: The 2018 CLETA will focus on the same topics as the 2013 collection: the number and type of law enforcement agencies served by academies, the academies' accreditation status, oversight responsibilities related to field training, reasons for recruits failing to complete their training program, and subject areas covered in the training program curricula. While there will be no content changes, BJS will modify the format and design of several survey items to improve measurement and remove questions from the 2013 survey that covered topics that may no longer be relevant.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* A projected 950 respondents will take an average of 2 hours each to complete form CJ-52, including time to research or find information not readily available. In addition, an estimated 570 of the respondents will be contacted for data quality follow-up by phone at 10 minutes per call.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 1,995 total burden hours associated with this information collection.

SUPPLEMENTARY INFORMATION:

I. Background

OFCCP administers and enforces the three nondiscrimination and equal employment opportunity laws listed below.

- Executive Order 11246, as amended (E.O. 11246)
- Section 503 of the Rehabilitation Act of 1973, as amended (Section 503)
- Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended (VEVRAA)

These authorities prohibit employment discrimination by covered federal contractors and subcontractors and require that they provide equal employment opportunities regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran. Additionally, federal contractors and subcontractors are prohibited from discriminating against applicants and employees for asking about, discussing, or sharing information about their pay or the pay of their co-workers. E.O. 11246 applies to federal contractors and federally assisted construction contractors holding a Government contract in excess of \$10,000, or Government contracts that have, or can reasonably be expected to have, an aggregate total value exceeding \$10,000 in a 12-month period. E.O. 11246 also applies to government bills of lading, depositories of federal funds in any amount, and to financial institutions that are issuing and paying agents for U.S. Savings Bonds. Section 503 prohibits employment discrimination against applicants and employees because of physical or mental disability and requires affirmative action to ensure that persons are treated without regard to disability. Section 503 applies to federal contractors and subcontractors with contracts in excess of \$15,000. VEVRAA prohibits employment discrimination against protected veterans and requires affirmative action to ensure that persons are treated without regard to their status as a protected veteran. VEVRAA applies to federal contractors and subcontractors with contracts of \$150,000 or more. This collection will implement the LEAD award that will recognize federal contractor and subcontractor establishments that have developed and successfully implemented comprehensive equal employment opportunity and nondiscrimination programs.
