SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 ("Section 337") provides that if the Commission finds a violation it shall exclude the articles concerned from the United States unless the public interest factors listed in 19 U.S.C. 1337(d)(1) prevent such action. A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is soliciting comments on public interest issues raised by the recommended relief should the Commission find a violation, specifically: (1) A limited exclusion order ("LEO") against certain road milling machines and components thereof, which are imported, sold for importation, and/or sold after importation by respondent Caterpillar Prodotti Stradali S.r.l.; Caterpillar Americas CV; Caterpillar Paving Products, Inc.; and Caterpillar Inc. Accordingly, parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4). In addition, members of the public are hereby invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge's Recommended Determination on Remedy and Bonding issued in this investigation on October 15, 2018. Comments should address whether issuance of the LEO and CDO in this investigation, should the Commission

find a violation, would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) Explain how the articles potentially subject to the recommended orders are used in the United States;
- (ii) Identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;
- (iii) Identify like or directly competitive articles that complainants, their licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) Indicate whether complainants, complainants' licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended exclusion order and/or a cease and desist order within a commercially reasonable time; and
- (v) Explain how the LEO and CDO would impact consumers in the United States.

Written submissions from the public must be filed no later than by close of business on Friday, November 9, 2018.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)).
