of the annual medical certification to the employer for retention in the driver’s qualification file, or keep a copy of his/her driver’s qualification file if he/she is self-employed. The driver must also have a copy of the exemption when driving, for presentation to a duly authorized Federal, State, or local enforcement official. The exemption will be rescinded if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315.

VI. Preemption

During the period the exemption is in effect, no State shall enforce any law or regulation that conflicts with this exemption with respect to a person operating under the exemption.

VII. Conclusion

Based on its evaluation of the three exemption applications, FMCSA renews the exemptions of the aforementioned drivers from the epilepsy and seizure disorders prohibition in 49 CFR 391.41(b)(6). In accordance with 49 U.S.C. 31136(e) and 31315, each exemption will be valid for two years unless revoked earlier by FMCSA.

[Docket No. MARAD–2018–0157]

AGENCY: Maritime Administration, DOT.

ACTION: Notice and request for comments.

SUMMARY: The Maritime Administration (MARAD) invites public comments on our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The collection involves documenting shipments made during the life of certain EXIM Bank financed projects. The information to be collected is necessary for MARAD to fulfill its legislative requirement to monitor the percentage of ocean freight revenues/tonnage. We are required to publish this notice in the Federal Register by the Paperwork Reduction Act of 1995, Public Law 104–13.

DATES: Comments must be submitted on or before December 24, 2018.

ADDRESSES: You may submit comments identified by Docket No. MARAD–2018–0157 through one of the following methods:

The agency will summarize and/or include your comments in the request for OMB’s clearance of this information collection.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2133–0013.

Type of Request: Renewal of a Previously Approved Information Collection.

Abstract: The information collection will be used by MARAD to monitor compliance with the cargo preference laws by parties covered under PR 17 and 46 CFR part 381. In addition, MARAD will use the information to compile annual information on Export-Import Bank-financed shipments, and when applicable, to provide for an informal grievance procedure, in the event there is a question or complaint pertaining to cargo preference matters. The monthly shipping reports, with substantiating documents, will provide the only basis for MARAD to exercise its legislative responsibility to monitor Export-Import Bank-financed cargoes that are transported on U.S.-flag vessels, recipient flag vessels and on third-flag vessels according to the determinations and certifications of vessel non-availability that have been granted. The compilation of the statistics from the shipping reports forms the basis for determining compliance with PR 17 for each loan participant. This information is also provided to the Export-Import Bank, and is the nucleus for conducting annual reviews of the shipping activities of the Export-Import Bank programs.

MARAD uses the information collected as part of the Transparency Initiative to share with the Export-Import Bank. MARAD also intends to use the information to assist Ex-Im Bank shippers with finding suitable U.S.-flag vessels and in support of the determinations MARAD makes with respect to requests from Export-Import Bank shippers for certifications of non-availability.
