#### Request for Comments on Motion To Amend Practice and Procedures in Trial Proceedings Under the America Invents Act Before the Patent Trial and Appeal Board

**AGENCY:** United States Patent and Trademark Office, U.S. Department of Commerce.

**ACTION:** Request for comments.

**SUMMARY:** This Request for Comments seeks public input on certain practices

and procedures that the Patent Trial and Appeal Board ("PTAB" or "Board") of the United States Patent and Trademark Office ("Office" or "USPTO") proposes regarding motions to amend filed in *inter partes* reviews ("IPR"), post-grant reviews ("PGR"), and covered business method patent reviews ("CBM") pursuant to the provisions of the Leahy-Smith America Invents Act ("AIA") providing for trial proceedings before the Office. Specifically, the Office seeks input on a proposed amendment process that would involve a preliminary non-binding decision by the Board that provides information to the parties regarding the merits of a motion to amend, and an opportunity for a patent owner to revise its motion to amend thereafter. In addition, the Office seeks input on a proposed pilot program implementing the new amendment process. The Office also seeks input regarding whether the Office should continue to allocate the burden of persuasion regarding patentability of substitute claims as set forth in a recent informative Board decision, as well as any suggestions the public may have as to motion to amend practice before the Board generally.

**DATES:** *Comment Deadline Date:* Written comments must be received on or before December 14, 2018, to ensure consideration.

**ADDRESSES:** Comments should be sent by electronic mail message over the internet addressed to: [TrialRFC2018Amendments@uspto.gov](mailto:TrialRFC2018Amendments@uspto.gov). Comments may also be submitted by postal mail addressed to: Mail Stop Patent Board, Director of the United States Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450, marked to the attention of "Acting Deputy Chief Administrative Patent Judge Jacqueline Wright Bonilla or Vice Chief Administrative Patent Judge Michael Tierney, PTAB Request for Comments 2018."

Although comments may be submitted by postal mail, the Office prefers to receive comments by electronic mail message to more easily share all comments with the public. The Office prefers the comments to be submitted in plain text, but also accepts comments submitted in portable document format or DOC format. Comments not submitted electronically should be submitted on paper in a format that facilitates convenient digital scanning into portable document format.
