COMMISSION ON CIVIL RIGHTS

Notice of Public Meetings of the Oklahoma Advisory Committee to the U.S. Commission on Civil Rights

AGENCY: U.S. Commission on Civil Rights.

ACTION: Announcement of meeting.

SUMMARY: Notice is hereby given, pursuant to the provisions of the rules and regulations of the U.S. Commission on Civil Rights (Commission) and the Federal Advisory Committee Act that the Oklahoma Advisory Committee (Committee) will hold a meeting on Monday, December 10, 2018 at 1:00 p.m. Central time. The Committee will discuss the implementation stage of their study of the state’s 2012 “Civil Rights Initiative,” which prohibited preferential treatment or discrimination based on race, color, sex, ethnicity or national origin in public employment, education, and contracting.

FOR FURTHER INFORMATION CONTACT: Alejandro Ventura, DFO, at avenutra@usccr.gov or (213) 894–3437.

SUPPLEMENTARY INFORMATION: Members of the public may listen to this discussion through the above call in number. An open comment period will be provided to allow members of the public to make a statement as time allows. The conference call operator will ask callers to identify themselves, the organization they are affiliated with (if any), and an email address prior to placing callers into the conference room. Callers can expect to incur regular charges for calls they initiate over wireless lines, according to their wireless plan. The Commission will not refund any incurred charges. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on September 27, 2018. The notification was published in the Federal Register on October 18, 2018. The Jeneil facility is located within Site 16 of FTZ 41. The facility is used for the biotransformation of a plant-derived raw material into a natural fragrance intermediate molecule. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status material/component and specific finished product described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Jeneil from customs duty payments on the foreign-status component used in export production. On its domestic sales, for the foreign-status material/component noted below, Jeneil would be able to choose the duty rate during customs entry procedures that applies to sclareolide (off-white powder) (duty rate 3.7%). Jeneil would also be able to choose the duty rate during customs entry procedures that applies to sclareolide (off-white powder) (duty rate 3.7%). Jeneil would also be able to choose the duty rate during customs entry procedures that applies to sclareolide (off-white powder) (duty rate 3.7%).
