**SUPPLEMENTARY INFORMATION:**

**OMB Number:** 3133–0141.

**Title:** Organization and Operations of Federal Credit Unions—Loan Participation, 12 CFR 701.22.

**Type of Review:** Extension of a currently approved collection.

**Abstract:** NCUA rules and regulations, §§ 701.22 and 741.225, outline the requirements for a loan participation program. Federally Insured Credit Unions (FICU) are required to execute a written loan participation agreement with the lead lender. Additionally, the rule requires all FICUs to maintain a loan participation policy that establishes underwriting standards and maximum concentration limits. Credit unions may apply for waivers on certain key provisions of the rule.

**Affected Public:** Private Sector: Not-for-profit institutions.

**Estimated No. of Respondents:** 1,876.

**Estimated Annual Frequency:** 1.

**Estimated Total Annual Responses:** 3,762.

**Estimated Annual Responses per Respondent:** 0.80

**Estimated Total Annual Burden Hours:** 3,010.

**Reason for Change:** Adjustments are being made to the number of respondents to reflect the current number of credit unions affected and a more accurate assignment of burden per response.

**Request for Comments:** Comments submitted in response to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will become a matter of public record. The public is invited to submit comments concerning: (a) Whether the collection of information is necessary for the proper execution of the function of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including the use of automated collection techniques or other forms of information technology.
