SUPPLEMENTARY INFORMATION: On October 10, 2018, NHTSA published an ANPRM to obtain public comments on the factors and structure that are appropriate for the Agency to consider in designing a national pilot program that will enable the Agency to facilitate, monitor and learn from the testing and development of the emerging advanced vehicle safety technologies and to assure the safety of those activities. The ANPRM stated that the closing date for comments is November 26, 2018.

On November 16, 2018, NHTSA received a request from the Uber Technologies, Inc. for a two-week extension of the comment period. The request can be found in the docket for the ANPRM listed above under **ADDRESSES**. NHTSA has considered this request and believes that a 14-day extension beyond the original due date is desirable to provide additional time for the public to comment on the complex and novel questions in the ANPRM. This is to notify the public that NHTSA is extending the comment period on the ANPRM, and allowing it to remain open until December 10, 2018.

Issued in Washington, DC, pursuant to authority delegated in 49 CFR 1.81 and 1.95.

Heidi Renate King,

Deputy Administrator.
