Persons wishing the FAA to acknowledge receipt of their comments on this action must submit with those comments a self-addressed stamped postcard on which the following statement is made: “Comments to FAA Docket No. FAA–2017–0783: Airspace Docket No. 17–AEA–13.” The postcard will be date/time stamped and returned to the commenter.

All communications received before the specified closing date for comments will be considered before taking action on the proposed rule. The proposal contained in this notice may be changed in light of the comments received. All comments submitted will be available for examination in the public docket both before and after the comment closing date. A report summarizing each substantive public contact with FAA personnel concerned with this rulemaking will be filed in the docket.

Availability of NPRMs

An electronic copy of this document may be downloaded from and comments submitted through http://www.regulations.gov. Recently published rulemaking documents can also be accessed through the FAA’s web page at http://www.faa.gov/air_traffic/publications/airspace_amendments/.

You may review the public docket containing the proposal, any comments received, and any final disposition in person in the Dockets Office (see the ADDRESSES section for address and phone number) between 9:00 a.m. and 5:00 p.m., Monday through Friday, except federal holidays. An informal docket may also be examined between 8:00 a.m. and 4:30 p.m., Monday through Friday, except federal holidays at the office of the Eastern Service Center, Federal Aviation Administration, Room 350, 1701 Columbia Avenue, College Park, Georgia 30337.

Availability and Summary of Documents for Incorporation by Reference

This document proposes to amend FAA Order 7400.11B, Airspace Designations and Reporting Points, dated August 3, 2017, and effective September 15, 2017. FAA Order 7400.11B is publicly available as listed in the ADDRESSES section of this document. FAA Order 7400.11B lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

The FAA is considering an amendment to Title 14, Code of Federal Regulations (14 CFR) part 71 to remove Class E airspace extending upward from 700 feet above the surface at Seven Springs Borough Airport, Seven Springs, PA, as the airport has been abandoned. Therefore, the airspace is no longer necessary. Also, this action would remove the words “excluding that portion that coincides with the Seven Springs, PA, Class E airspace area” from the regulatory text In Class E airspace extending upward from 700 feet above the surface for Somerset County Airport, Somerset, PA, and update the geographic coordinates of Somerset County Airport, to be in concert with the FAA’s aeronautical database.

Class E airspace designations are published in Paragraph 6005 of FAA Order 7400.11B, dated August 3, 2017, and effective September 15, 2017, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the Order.

Regulatory Notices and Analyses

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal would be subject to an environmental analysis in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

1. The authority citation for part 71 continues to read as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11B, Airspace Designations and Reporting Points, dated August 3, 2017, effective September 15, 2017, is amended as follows:

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.

* * * * *

AEA PA E5 Seven Springs, PA [Removed]

AEA PA E5 Somerset, PA [Amended]

Somerset County Airport, PA (Lat. 40°02′20″ N, long. 79°00′54″ W)

Stoystown NDB (Lat. 40°05′09″ N, long. 78°55′00″ W)

That airspace extending upward from 700 feet above thesurface within a 6.4-mile radius of Somerset County Airport and within 3.1 miles each side of the 058° bearing from the Stoystown NDB extending from the 6.4-mile radius to 9.6 miles northeast of the NDB and 4 miles each side of the 236° bearing from the Somerset County Airport extending from the 6.4-mile radius to 9.5 miles southwest of the airport.

Issued in College Park, Georgia, on February 1, 2018.

Ryan W. Almasy,
Manager, Operations Support Group, Eastern Service Center, Air Traffic Organization.

Federal Aviation Administration

14 CFR Part 71

Proposed Amendment of Class D Airspace and Class E Airspace; Greenwood, MS

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This action proposes to amend Class D airspace, and Class E surface area airspace at Greenwood-Leflore Airport, Greenwood, MS, by making an editorial change to the legal
This Document proposes to amend FAA Order 7400.11B, Airspace Designations and Reporting Points, dated August 3, 2017, and effective September 15, 2017. FAA Order 7400.11B is publicly available as listed in the ADDRESSES section of this document. FAA Order 7400.11B lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

The FAA is considering an amendment to Title 14, Code of Federal Regulations (14 CFR) part 71 to amend Class D airspace, Class E surface airspace, Class E airspace designated as an extension, and Class E airspace extending upward from 700 feet or more above the surface of the earth at Greenwood-Leflore Airport, Greenwood, MS. This action would make an editorial change removing “Airport/Facility Directory” with the term “Chart Supplement” in the legal descriptions of the Class D airspace and Class E surface airspace.

This action would also remove the NOTAM part-time status of Class E airspace designated as an extension to the airport. This action is for continued safety and management of IFR operations in the area. Additionally, the geographic coordinates of the airport would be adjusted in the associated Class D and E airspace to coincide with the FAA’s aeronautical database.

Class D and E airspace designations are published in Paragraphs 5000, 6002, 6004 and 6005, respectively of FAA Order 7400.11B, dated August 3, 2017, and effective September 15, 2017, which is incorporated by reference in 14 CFR 71.1. The Class D and Class E airspace
designated listed in this document will be published subsequently in the Order.

**Regulatory Notices and Analyses**

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

**Environmental Review**

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

**Lists of Subjects in 14 CFR Part 71**

**Procedures** prior to any FAA final Environmental analysis in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

**The Proposed Amendment**

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

**PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS**

1. The authority citation for part 71 continues to read as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.11B, Airspace Designations and Reporting Points, dated August 3, 2017, and effective September 15, 2017, is amended as follows:

**Paragraph 5000 Class D Airspace.**

ASO MS D Greenwood, MS [Amended]

Greenwood-Leflore Airport, MS

(Lat. 33°29′39″ N, long. 90°05′05″ W)

That airspace extending upward from the surface to and including 2,700 feet MSL, within a 4.4-mile radius of Greenwood-Leflore Airport. This Class D airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective dates and times will thereafter be continuously published in the Chart Supplement.

**Paragraph 6002 Class E Surface Area Airspace.**

ASO MS E2 Greenwood, MS [Amended]

Greenwood-Leflore Airport, MS

(Lat. 33°29′39″ N, long. 90°05′05″ W)

Within a 4.4-mile radius of Greenwood-Leflore Airport. This Class E airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

**Paragraph 6004 Class E Airspace Designated as an Extension to a Class D Surface Area.**

ASO MS E4 Greenwood, MS [Amended]

Greenwood-Leflore Airport, MS

(Lat. 33°29′39″ N, long. 90°05′05″ W)

Sidon VORTAC

(Lat. 33°27′50″ N, long. 90°16′38″ W)

That airspace extending upward from the surface within 1.4 miles each side of the Sidon VORTAC 079° radial, extending from the 4.4-miles radius of Greenwood-Leflore Airport to 4 miles east of the VORTAC.

**Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.**

ASO MS E5 Greenwood, MS [Amended]

Greenwood-Leflore Airport, MS

(Lat. 33°29′39″ N, long. 90°05′05″ W)

Sidon VORTAC

(Lat. 33°27′50″ N, long. 90°16′38″ W)

That airspace extending upward from 700 feet above the surface within a 6.9-mile radius of Greenwood-Leflore Airport and within 1.2 miles each side of the Sidon VORTAC 079° radial, extending from the 6.9-mile radius to 2 miles each of the VORTAC.

Issued in College Park, Georgia, on January 31, 2018.

Ryan W. Almasy.

Manager, Operations Support Group, Eastern Service Center, Air Traffic Organization.

RIN 0969–XC037

**Request for Public Comments Regarding Controls on Energetic Materials, Armored and Protective “Equipment” and Military Electronics**

**AGENCY:** Bureau of Industry and Security, Commerce.

**ACTION:** Notice of Inquiry; request for comments.

**SUMMARY:** The Bureau of Industry and Security (BIS), Department of Commerce, is seeking public comments to perform a complementary review of items on the Commerce Control List concurrent with the Department of State’s review of the controls implemented in its recent revisions of parts of the United States Munitions List (which control explosives and energetic materials, propellants, incendiary agents and their constituents; personal protective equipment; and military electronics), to ensure that the descriptions of these items on the CCL are clear, items for normal commercial use are not inadvertently controlled as military items on the USML, technological developments are accounted for on the control lists, and controls properly implement the national security and foreign policy objectives of the United States. This Notice of Inquiry also furthers the regulatory reform agenda directed by the President in Executive Order 13777.

**DATES:** Comments must be received by BIS no later than April 13, 2018.

**ADDRESSES:** Comments may be submitted through the Federal rulemaking portal (http://www.regulations.gov). The regulations.gov ID number for this rule is BIS–2018–0044. All comments (including any personally identifying information) will be made available for public inspection and copying.

**FOR FURTHER INFORMATION CONTACT:** For technical questions relating to the item. For questions regarding energetic materials (ECCNs 1B606, 1C608, 1D608 and 1E608) or personal protective equipment, shelters and related items (ECCNs 1A613, 1B613, 1D613 and 1E613), contact Joseph Giunta in the Office of National Security and Technology Transfer Controls, Electronics and Materials Division at (202) 482–3127 or Joseph.Giunta@bis.doc.gov.
