The Towing Safety Advisory Committee was established under authority of the Act in the Department of Transportation, (Pub. L. 96-380), which was amended by section 621 of the Coast Guard Authorization Act of 2010, (Pub. L. 111-281); see 33 U.S.C. 1231a. The Committee advises the Secretary of Homeland Security on matters relating to the shallow-draft inland and coastal waterway navigation and towing safety. This advice also assists the U.S. Coast Guard in formulating the position of the

United States regarding the towing industry in advance of the International Maritime Organization meetings.

It is expected that the Committee will meet at least twice a year in cities with large towing centers of commerce and populated by high concentrations of towing industry and related businesses. It may also meet for extraordinary purposes. Its subcommittees may also meet to consider specific tasks as required. The Committee and its subcommittees may conduct intercessional telephonic meetings when necessary, in response to specific U.S. Coast Guard tasking.

Each Towing Safety Advisory Committee member serves a term of office of up to 3 years. Members may serve a maximum of two consecutive terms. All members serve without compensation from the Federal Government; however, they may receive travel reimbursement and per diem.

We will consider applications for the following five positions that will become vacant on September 30, 2018:

As a candidate for appointment as a Special Government Employee, applicants are required to complete a Confidential Financial Disclosure Report (OGE Form 450). The Coast Guard may not release the reports or the information in them to the public except under an order issued by a Federal Court or as otherwise provided under the Privacy Act (5 U.S.C 552a). Only the Designated U.S. Coast Guard Ethics Official or his or her designee may release a Confidential Financial Disclosure Report. Applicants can obtain this form by going to the website of the Office of Government Ethics (www.oge.gov), or by contacting the individual listed above in **FOR FURTHER INFORMATION CONTACT**.

Registered lobbyists are not eligible to serve on Federal Advisory Committees

in an individual capacity. See “Revised Guidance on Appointment of Lobbyists to Federal Advisory Committees, Boards and Commissions” (79 FR 47482, August 13, 2014). Registered lobbyists are lobbyists as defined in Title 2 U.S.C. 1602 who are required by Title 2 U.S.C. 1603 to register with the Secretary of the Senate and the Clerk of the House of Representatives. The position we list for a member from the general public would be someone appointed in their individual capacity and would be designated a Special Government Employee as defined in 202 (a) of Title 18, United States Code.

The Department of Homeland Security does not discriminate in selection of Committee members on the basis of race, color, religion, sex, national origin, political affiliation, sexual orientation, gender identity, marital status, disabilities and genetic information, age, membership in an employee organization, or any other non-merit factor.
