Synopsis
1. On March 23, 2018, the President signed into law the Consolidated Appropriations Act of 2018, which included the Reimbursement Expansion Act (REA) of 2018. In Title V of REA of 2018, Congress provided funding for and expanded the list of entities eligible to receive reimbursement for costs reasonably incurred resulting from the incentive auction to include LPTV, television translator and FM stations. To implement the REA, the Commission released a Notice of Proposed Rulemaking (MB Docket No. 18–214, GN Docket No. 12–268, Notice of Proposed Rulemaking and Order, FCC 18–113) that, among other things, seeks comment on the types of costs these entities are likely to incur and instructs the Media Bureau to develop a revised Catalog of Eligible Expenses. According to this Public Notice, the Proposed LPTV/Translator/FM Cost Catalog (Appendix A to this Public Notice), which was developed by a third-party contractor engaged by the Media Bureau to identify price ranges for potential services and equipment based on a market survey of industry vendors. The LPTV/Translator/FM Cost Catalog will facilitate the reimbursement process. The LPTV/Translator/FM Cost Catalog provides predetermined costs or cost ranges for use as estimates when stations do not have vendor quotes, and establishes acceptable price ranges, thereby necessitating additional cost justification documentation only for expenses that are higher than the range in the Catalog or that are for equipment or services not covered by the LPTV/Translator/FM Cost Catalog. This Public Notice seeks comment on whether the Catalog is missing any types of expenses LPTV, translator and FM stations are likely to incur and on the price ranges in the Catalog.
