ASAC does not have a specific number of members allocated to any membership category and the number of members in a category may change to fit the needs of the Committee, but each organization shall be represented by one individual. Members will serve as representatives and speak on behalf of their respective constituency group, and will not be appointed as Special Government Employees as defined in 18 U.S.C. 202(a). Membership on the Committee is personal to the appointee and a member may not send an alternate to a Committee meeting. Pursuant to 49 U.S.C. 49946(c)(3) members shall not receive pay, allowances, or benefits from the Government by reason of their service on the Committee.

Committee Meetings

The Committee typically convenes four times per year; however, additional meetings may be held with the approval of the Designated Federal Official. Due to the sensitive nature of the material discussed, meetings are typically closed to the public. At least one meeting will be open to the public each year. In addition, members are expected to participate on ASAC subcommittees that typically meet more frequently to deliberate and discuss specific aviation matters.

Committee Membership

Committee members are appointed by and serve at the pleasure of the Administrator of TSA for a two-year duration with “staggered terms.” Staggered terms mean that approximately one-half of the Committee members’ terms expire in alternating years. This ensures continuity and consistency for the Committee. In the year of transition to staggered terms, approximately one-half of the members will be appointed to one-year terms and the other half to two-year terms. In the following year and thereafter, all appointments will be for terms of two years.

Application for Advisory Committee Appointment

Any person wishing to be considered for appointment to ASAC must provide the following:
- Complete professional resume.
- Statement of interest and reasons for application, including the membership category and how you represent a significant portion of that constituency.
- Home and work addresses, telephone number, and email address.

Please submit your application to the Responsible TSA official in addresses noted above by March 5, 2018.

Eddie D. Mayenschein, Assistant Administrator, Security Policy and Industry Engagement.
