SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82642; File No. SR-CboeBZX-2018-007]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use on Cboe BZX Exchange, Inc.

February 6, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 31, 2018, Cboe BZX Exchange, Inc. (the “Exchange” or “BZX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend the fee schedule applicable to Members⁵ and non-Members of the Exchange pursuant to BZX Rules 15.1(a) and (c).

The text of the proposed rule change is available at the Exchange’s website at www.markets.cboe.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its fee schedule applicable to its equities trading platform (“BZX Equities”) to amend the criteria necessary to qualify for the enhanced rebate provided by the Single MPID Investor Tier 1 under footnote 4. The Exchange currently offers two Single MPID Investor Tiers under footnote 4, which provide an enhanced rebate of \$0.0031 or \$0.0027 per share for qualifying orders which yield fee codes B,⁶ V,⁷ or Y.⁸ The distinction between the tiers under footnote 4 and other tiers offered by the Exchange, is that the volume measured to determine whether a Member qualifies is performed on a Member Participant Identifier (“MPID”) by MPID basis. The Exchange proposes to modify the criteria necessary to achieve the Tier 1 under footnote 4 as described below. Currently, under Tier 1 a Member may receive an enhanced rebate of \$0.0031 per share where their MPID has: (i) An ADAV⁹ as a percentage of TCV¹⁰ $\geq 0.35\%$; and (ii) an ADAV as a

percentage of ADV¹¹ $\geq 90\%$. The Exchange proposes to ease the first prong of the tier’s criteria to now require that the Member’s MPID an ADAV as a percentage of TCV $\geq 0.30\%$, rather than 0.35%. The Exchange does not propose to amend their tier’s enhanced rebate or the second prong of the tier’s required criteria.

The Exchange proposes to implement the above change to its fee schedule on February 1, 2018.

2. Statutory Basis

The Exchange believes that the proposed rule changes are consistent with the objectives of Section 6 of the Act,¹² in general, and furthers the objectives of Section 6(b)(4),¹³ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange also notes that it operates in a highly-competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive or incentives to be insufficient. Furthermore, the Exchange notes that routing through the Exchange’s affiliate, Bats Trading, is voluntary.

The Exchange believes that the proposed modification to the tiered pricing structure is reasonable, fair and equitable, and non-discriminatory. The Exchange operates in a highly competitive market in which market participants may readily send order flow to many competing venues if they deem fees at the Exchange to be excessive or incentives provided to be insufficient. The proposed structure remains intended to attract order flow to the Exchange by offering market participants a competitive pricing structure. The Exchange believes it is reasonable to offer and incrementally modify incentives intended to help to contribute to the growth of the Exchange.

Volume-based pricing such as that proposed herein have been widely adopted by exchanges, including the Exchange, and are equitable because they are open to all Members on an equal basis and provide additional benefits or discounts that are reasonably related to: (i) The value to an exchange’s market quality; (ii) associated higher levels of market activity, such as higher levels of liquidity provisions and/or growth patterns; and (iii) introduction of

⁵ The term “Member” is defined as “any registered broker or dealer that has been admitted to membership in the Exchange.” See Exchange Rule 1.5(n).

⁶ Fee code B is appended to displayed orders which add liquidity to Tape B and is provided a rebate of \$0.0025 per share.

⁷ Fee code V is appended to displayed orders which add liquidity to Tape A and is provided a rebate of \$0.0020 per share.

⁸ Fee code Y is appended to displayed orders which add liquidity to Tape C and is provided a rebate of \$0.0020 per share.

⁹ “ADAV” means average daily added volume calculated as the number of shares added per day and “ADV” means average daily volume calculated as the number of shares added or removed, combined, per day. ADAV and ADV are calculated on a monthly basis. See the BZX Equities fee schedule available at http://markets.cboe.com/us/equities/membership/fee_schedule/bzx/.

¹⁰ “TCV” means total consolidated volume calculated as the volume reported by all exchanges and trade reporting facilities to a consolidated transaction reporting plan for the month for which the fees apply. *Id.*

higher volumes of orders into the price and volume discovery processes.

The proposed modification of the Single MPID Investor Tier 1 under footnote 4 should further incentive Members to send a higher level of orders to the Exchange in order to meet the tier's decreased criteria. The Exchange believes that by decreasing the tier's criteria, although modestly, it will encourage those Members who could not achieve the tier previously to increase their order flow as a means to receive the tier's enhanced rebate on an MPID basis. Thus, the Exchange believes that the proposed modification is reasonable and equitable because it should provide Members who viewed the current criteria as too high and did not previously attempt to achieve the tier's criteria with an incentive to add order flow to reach the new lower threshold. The proposed modification is non-discriminatory because it applies and is available to all Members.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed change to the its tiered pricing structure burdens competition, but instead, enhances competition as it is intended to increase the competitiveness of BZX by modifying pricing incentives in order to attract order flow and incentivize participants to increase their participation on the Exchange. The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee structures to be unreasonable or excessive. The Exchange does not believe the proposed amendments would burden intramarket competition as they would be available to all Members uniformly.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)

of the Act¹⁴ and paragraph (f) of Rule 19b-4 thereunder.¹⁵ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
