RIN 0503-AA63

Revision of Delegations of Authority

AGENCY: Office of the Secretary, USDA.

ACTION: Final rule.

SUMMARY: The Secretary of Agriculture is authorized to delegate functions, powers, and duties as the Secretary deems appropriate. This document amends the existing delegations of authority by adding and modifying certain delegations, as explained in the Supplementary Information section below.

DATES: *Effective* November 29, 2018.

FOR FURTHER INFORMATION CONTACT: Melissa McClellan, Office of the General Counsel, (202) 720-5565, melissa.mcclellan@usda.gov.

SUPPLEMENTARY INFORMATION: This rule makes several changes to the United States Department of Agriculture's (USDA) delegations of authority in 7 CFR part 2 by adding new delegations and modifying existing delegations.

Overview of Changes

A. Departmental Administration

Throughout part 2, this rule revises references to "Departmental Management" to read "Departmental Administration" to reflect the renaming of the former Departmental Management mission area, which reports to the Assistant Secretary for Administration. See Secretary's Memorandum (SM) 1076-022 (Feb. 2, 2018), available at https://www.ocio.usda.gov/sites/default/files/docs/2012/SM1076-22_DA_Reorg_20180202.pdf.

In addition, the rule revises the delegations in part 2 to reflect the reorganization of the former Office of Procurement and Property Management (OPPM). The Director of the new Office

of Contracting and Procurement (OCP) will receive the delegations of authority related to contracting and procurement activities formerly delegated by the Assistant Secretary of Administration to the Director of OPPM. The delegations of authority concerning real and personal property, fleet, and materials management that were formerly delegated by the Assistant Secretary for Administration to the Director of OPPM are now delegated to the Director of the newly established Office of Property and Fleet Management.

The rule further revises the delegations of authority to the Chief Information Officer (CIO) and to the Director of the Office of the Executive Secretariat (OES) at § 2.97 to reflect that the authority to "Administer the Departmental records, forms, reports and Directives Management Programs" has been transferred from OCIO to OES.

Throughout part 2, this rule changes the name of the "Office of Homeland Security and Emergency Coordination" to the "Office of Homeland Security," and makes changes to the delegations of authority to the Director of OHS, including transferring responsibility for USDA response efforts under the Oil Pollution Act of 1990 from OHS to the Office of Property and Fleet Management.

B. Mission Area Business Centers

Pursuant to Secretary's Memorandum 1076-018, this rule establishes new delegations of authority for the Chief Operating Officer of the Farm Production and Conservation (FPAC) Business Center to reflect the consolidation of management support functions for the agencies of the FPAC mission area. The rule also revokes certain delegations of authority to the Administrator of the Farm Service Agency (FSA) that have been transferred to the FPAC Business Center as part of this consolidation of functions.

Similarly, the rule establishes new delegations for the Chief Operating Officer of the Rural Development (RD) Business Center to reflect the consolidation of management support functions for the RD agencies, and revokes certain delegations of authority to the Administrators of the Rural Utilities Service (RUS), Rural Business-Cooperative Service (RBS), and Rural Housing Service (RHS) related to environmental laws that have been transferred to the RD Business Center. In

addition, the rule revokes the published delegation of authority to the RHS Administrator to collect, service and liquidate RHS loans, and relegates these loan servicing functions for the RHS single family housing loan programs to the RD Business Center. The Assistant to the Secretary for RD also may transfer loan servicing for other RHS programs (e.g., Multifamily Housing, Community Facilities) and for RUS and RBS to the RD Business Center in the future. To provide flexibility as the RD Business Center grows, the Assistant to the Secretary for RD will issue written delegations of authority for other RD loan servicing functions as necessary.

The management support functions for the agencies comprising the Research, Education, and Economics (REE) mission area have long been consolidated in an Administrative and Financial Management office organizationally located in the Agricultural Research Service (ARS). This rule updates the existing delegation to the Administrator of ARS to add information technology services to the management support services that the business center in ARS provides to all REE agencies on a reimbursable basis.

Similarly, the management support functions for the agencies in the Marketing and Regulatory Programs mission area have long been consolidated in a business center residing in the Animal and Plant Health Inspection Service (APHIS). This rule updates the existing delegation of authority to the Administrator of APHIS to add information technology services to the consolidated management support functions provided by APHIS to AMS on a reimbursable basis.

This rule further revises the delegations of authority to the Chief Information Officer to reflect that each mission area, rather than each agency, has one Chief Information Officer. See SM 1076-18 (Nov. 14, 2017), at <https://www.ocio.usda.gov/sites/default/files/docs/2012/SM%201076-18.pdf>.

C. Office of Partnerships and Public Engagement

The rule also revises the delegations to recognize the establishment of the Office of Partnerships and Public Engagement (OPPE), which now oversees the Office of Advocacy and Outreach (OAO), the Office of Tribal

Relations (OTR), the Military Veterans Agricultural Liaison, the Center for Faith-Based and Neighborhood Partnerships, and certain youth and other public-facing initiatives of the Department. See SM 1076–018 (Nov. 14, 2017), available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1076-018>. The rule revokes the obsolete delegations of authority by the Secretary to the ASA related to OAO and OTR. The delegations of authority to the Director of OAO and to the Director of OTR that were formerly published as delegations by the ASA are now located in a new subpart V as delegations by the Director of OPPE. The Director of OTR continues to advise the Secretary on matters of policy related to Indian tribes in accordance with 7 U.S.C. 6921, and to serve as the point of contact in accessing Department-wide information regarding tribal issues.

D. Grain Inspection, Packers and Stockyards Administration, U.S. Warehouse Act, and Commodity Procurement

This rule also revises the delegations of authority to reflect the elimination of the Grain Inspection, Packers, and Stockyards Administration (GIPSA) as a stand-alone agency, and the transfer of the former GIPSA delegations to the AMS Administrator. This rule further transfers to the AMS Administrator the responsibility to administer the U.S. Warehouse Act (7 U.S.C. 241–273), which was formerly delegated to the FSA Administrator. The rule further consolidates commodity procurement across the Department by transferring delegations related to international commodity procurement from the Under Secretary for FPAC and the FSA Administrator to the Under Secretary for Marketing and Regulatory Programs and the AMS Administrator. See SM 1076–018 (Nov. 14, 2017).

E. Office of Pest Management Policy

Pursuant to 7 U.S.C. 7653, the Office of Pest Management Policy (OPMP) represents the Department in fulfilling responsibilities related to management of pesticides under the Food Quality Protection Act of 1996, the Federal Insecticide, Fungicide, and Rodenticide Act, and the Federal Food, Drug and Cosmetic Act and other applicable laws, and leads and coordinates the Department's pest management and biotechnology efforts. Prior to the 2017 reorganization of the Department, OPMP was located in ARS, and there were no published delegations of authority to the OPMP Director. This rule reflects the realignment of OPMP within the Office

of the Chief Economist (OCE), and establishes a new section of delegations by the Chief Economist to the Director of OPMP at § 2.75. In addition, the rule removes the outdated delegations to the Under Secretary for REE at § 2.21(a)(1)(iii), to the Administrator of ARS at § 2.65(a)(1), and to the Director of the National Institute of Food and Agriculture at § 2.66(a)(115). See SM 20176–018 (Nov. 14, 2017). The revocation of these authorities is intended solely to reflect the administrative relocation of OPMP from ARS to OCE, and does not affect the authority of the Under Secretary of REE, the ARS Administrator, or the NIFA Director to carry out their programs.

F. Office of Energy and Environmental Policy

This rule further revises the delegations of authority to reflect the realignment of the climate, environmental markets, and energy policy functions of OCE. The new position of Director of the Office of Energy and Environmental Policy (OEEP) will oversee the Office of Energy Policy and New Uses, the Office of Environmental Markets, and the Climate Change Program Office, and will coordinate policy analysis, long-range planning, research priority setting, and response strategies for addressing energy development and environmental policy. To effect this change, the delegations formerly located at § 2.74, related to the Climate Change Program Office, and at § 2.75, related to the Office of Environmental Markets, are now consolidated under the delegations of authority to the Director of OEEP at § 2.73.

G. Settlement Authority for Commitments That Cannot Be Ratified

This rule also revises the delegations to the Chief Financial Officer (CFO) by adding a new delegation to settle claims that are not otherwise provided for under 31 U.S.C. 3702(a) or another provision of law. Congress granted this claims settlement authority to the Director of the Office of Management and Budget in 31 U.S.C. 3702(a)(4), and the Director further delegated the authority to each Executive Branch agency. See *Determination with Respect to Transfer of Functions Pursuant to Public Law 104–316*, Office of Management and Budget (Dec. 17, 1996).

Pursuant to the new delegation at § 2.28(a)(30), the CFO now has the authority to resolve contract claims that are not ratifiable, including as described in the Federal Acquisition Regulation at 48 CFR 1.602–3(d).

H. Miscellaneous Revisions

This rule also makes the following miscellaneous revisions to the delegations. The authority to collect, summarize, and publish data on the production, distribution, and stocks of sugar is transferred from the Under Secretary for Marketing and Regulatory Programs and AMS Administrator to the Under Secretary for FPAC and FSA Administrator to reflect the current operation of these activities. The delegation of authority to the Under Secretary for FPAC related to defense and emergency preparedness is revised to eliminate references to “foreign agricultural intelligence and other foreign agricultural matters,” which are covered by an existing delegation to the Under Secretary for Trade and Foreign Agricultural Affairs. Finally, the delegations of authority to the Under Secretary for Marketing and Regulatory Programs and the Administrator of AMS have been revised to include updated citations to the Agricultural Marketing Act of 1946.

Classification

This rule relates to internal agency management. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the **Federal Register**. This rule also is exempt from the provisions of Executive Orders 12866 and 13771. This action is not a rule as defined by the Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601 *et seq.*, or the Congressional Review Act, 5 U.S.C. 801 *et seq.*, and thus is exempt from the provisions of those acts. This rule contains no information collection or recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

SUPPLEMENTARY INFORMATION:**Background**

Under section 466, Tariff Act of 1930, as amended (19 U.S.C. 1466), purchases for or repairs made to certain vessels while they are outside the United States are subject to declaration, entry and payment of ad valorem duty. These requirements are effective upon the first arrival of the affected vessel in any port of the United States. The vessels subject to these requirements include those documented under U.S. law for the foreign or coastwise trades, as well as those which were previously documented under the laws of some foreign nation or are undocumented at the time that the foreign shipyard repairs are performed, but which exhibit an intent to engage in those trades.

The regulations implementing 19 U.S.C. 1466 are found in § 4.14 of the CBP regulations (19 CFR 4.14). Section 4.14 provides that when a vessel subject to the vessel repair statute first arrives into the United States or Puerto Rico following a foreign voyage, the owner, master, or authorized agent, or vessel operator must submit a vessel repair entry and declaration on CBP Form 226
