1. *Title:* Voluntary Chemist Certification Program Applications, Notices, and Records.

OMB Control Number: 1513-NEW.

Type of Review: Request for a new OMB Control Number.

Description: The TTB chemist certification program, established under the authority of section 105(e) of the Federal Alcohol Administration Act (FAA Act; 27 U.S.C. 205(e)) and explained in TTB Procedure 2018-2, is a voluntary program that certifies private industry chemists to analyze alcohol beverages and report the results of specific chemical analyses on alcohol beverages to the governments of importing countries. As a condition of importation, some countries require that their own government laboratories (or laboratories certified by their government) perform these analyses, while other countries allow a person certified by the government of the exporting country to perform the analyses. TTB conducts its chemist certification program as a service to the alcohol beverage industry to facilitate the export of domestic alcohol beverage products. This certification program helps ensure that chemists, enologists, brewers, and technicians generate quality data and have the required proficiencies to conduct chemical analyses associated with exportation of alcohol beverages from the United States. This program includes application and notice requirements, including letterhead applications for certification, submission of the results of qualifying analyses of TTB-supplied alcohol beverage samples, and miscellaneous letterhead applications and notices regarding additional certifications, requests for TTB-affirmed reports of analysis, and notices of changes in employment place or status. Under this program, certified chemists and their laboratories must also maintain usual and customary records regarding all analysis results conducted under the authority of a TTB certificate, and records related to laboratory equipment, quality control policies, procedures and systems, and analyst training and competence.

Description: The Internal Revenue Code (IRC), at 26 U.S.C. 5114, 5173, 5272, 5354, 5401, and 5711, requires certain alcohol and tobacco industry proprietors to post a bond in conformity with regulations issued by the Secretary of the Treasury (Secretary) to ensure payment by the bonding company of Federal excise taxes due on alcohol or tobacco products should a proprietor default.
