#### Final Priorities, Requirements, Definitions, and Selection Criteria—Expanding Opportunity Through Quality Charter Schools Program; Grants to Charter Management Organizations for the Replication and Expansion of High-Quality Charter Schools

**AGENCY:** Office of Innovation and Improvement, Department of Education.

**ACTION:** Final priorities, requirements, definitions, and selection criteria.

**SUMMARY:** The Acting Assistant Deputy Secretary for Innovation and Improvement announces priorities, requirements, definitions, and selection criteria for Grants to Charter Management Organizations for the Replication and Expansion of High-Quality Charter Schools (CMO grants or CMO grant program) under the Expanding Opportunity Through Quality Charter Schools Program (CSP), Catalog of Federal Domestic Assistance (CFDA) number 84.282M. We may use one or more of these priorities, requirements, definitions, and selection criteria for competitions in fiscal year (FY) 2019 and later years. We take this

action to support the replication and expansion of high-quality charter schools by charter management organizations (CMOs) throughout the Nation, particularly those that serve *educationally disadvantaged students*, such as students who are *individuals from low-income families*, students with disabilities, and English learners; and students who traditionally have been underserved by charter schools, such as *Native American* students and students in *rural communities*.

**DATES:** These priorities, requirements, definitions, and selection criteria are effective November 30, 2018.

To that end, we announce priorities, requirements, definitions, and selection criteria that encourage or require applicants to describe, for example: Past successes working with *academically poor-performing public schools*;<sup>1</sup> experience operating or managing multiple charter schools; plans to expand their reach into new and diverse communities; logical connections between their proposed projects and intended outcomes for the students they propose to serve; and plans to evaluate the extent to which their proposed projects, if funded, yield intended outcomes.

Second, these final priorities, requirements, definitions, and selection criteria are designed to increase the likelihood that CMO grants support expanded high-quality educational opportunities for *educationally disadvantaged students*, as well as students who traditionally have been underserved by charter schools, such as *Native American* students and students in *rural communities*. Specifically, among other things, the final priorities, requirements, definitions, and selection criteria enable the Department to give
