[OMB Control Number 1615–0072]

**Agency Information Collection Activities; Revision of a Currently Approved Collection: Application for Suspension of Deportation or Special Rule Cancellation of Removal**

**AGENCY:** U.S. Citizenship and Immigration Services, Department of Homeland Security.

**ACTION:** 60-Day notice.

**SUMMARY:** The Department of Homeland Security (DHS), U.S. Citizenship and Immigration (USCIS) invites the general public and other Federal agencies to comment upon this proposed revision of a currently approved collection of information. In accordance with the Paperwork Reduction Act (PRA) of 1995, the information collection notice is published in the Federal Register to obtain comments regarding the nature of the information collection, the categories of respondents, the estimated burden (i.e. the time, effort, and resources used by the respondents to respond), the estimated cost to the respondent, and the actual information collection instruments.

**DATES:** Comments are encouraged and will be accepted for 60 days until February 1, 2019.

**ADDRESSES:** All submissions received must include the OMB Control Number 1615–0072 in the body of the letter, the agency name and Docket ID USCIS–2008–0077. To avoid duplicate submissions, please use only one of the following methods to submit comments:

2. **Mail.** Submit written comments to DHS, USCIS, Office of Policy and Strategy, Chief, Regulatory Coordination Division, 20 Massachusetts Avenue NW, Washington, DC 20529–2140.

**FOR FURTHER INFORMATION CONTACT:** USCIS, Office of Policy and Strategy, Regulatory Coordination Division, Samantha Deshommes, Chief, 20 Massachusetts Avenue NW, Washington, DC 20529–2140, telephone number 202–272–8377 (This is not a toll-free number. Comments are not accepted via telephone message). Please note contact information provided here is solely for questions regarding this notice. It is not for individual case status inquiries. Applicants seeking information about the status of their individual cases can check Case Status Online, available at the USCIS website at [http://www.uscis.gov](http://www.uscis.gov), or call the USCIS National Customer Service Center at 800–375–2283 (TTY 800–767–1833).

60-Day Notice of Proposed Information Collection: Rural Capacity Building Correction

Overview of This Information Collection

(1) Type of Information Collection: Revision of a Currently Approved Collection.

(2) Title of the Form/Collection: Application for Suspension of Deportation or Special Rule Cancellation of Removal (Pursuant to Sec. 203 of Pub. L. 105–100).

(3) Agency form number, if any, and the applicable component of the DHS sponsoring the collection: I–881; USCIS.

(4) Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Individuals or households. Form I–881 is used by a nonimmigrant to apply for suspension of deportation or special rule cancellation of removal. The information collected on this form is necessary in order for USCIS to determine if it has jurisdiction over an individual applying for this release as well as to elicit information regarding the eligibility of an individual applying for release.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: The estimated total number of respondents for the information collection I–881 is 520 and the estimated hour burden per response is 12 hours per response; the estimated number of respondents providing biometrics is 858 and the estimated hour burden per response is 1.17 hours.

(6) An estimate of the total public burden (in hours) associated with the collection: The estimated total annual hour burden associated with this collection is 7,243.86 hours.

(7) An estimate of the total public burden (in cost) associated with the collection: The estimated total annual cost burden associated with this collection of information is $258,505.52.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Elaine Guenaga by email at eguenaga@blm.gov, or by telephone at 775–861–6539. You may also view the ICR at http://www.reginfo.gov/public/do/PRAMain. SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format. A Federal Register notice with a 60-day public comment period soliciting comments on this collection of information was published on June 25, 2018 (83 FR 29566). No comments were received.

We are again soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of the BLM; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the BLM enhance the quality, utility, and clarity of the information to be collected; and (5) how might the BLM minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The General Mining Law (30 U.S.C. 29, 30, and 39) authorizes a holder of an unpatented claim for hardrock minerals to apply for fee title (patent) to the federal land (as well as minerals) embraced in the claim. Since
