days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. In this case, the proposed rule change was published for notice and comment in the Federal Register on June 8, 2018. 10 December 5, 2018, is 180 days from that date, and February 3, 2019, is 240 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposed rule change, the issues raised in the Order Instituting Proceedings, and the Exchange’s response in its comment letter. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act, 11 designates February 3, 2019, as the date by which the Commission shall either approve or disapprove the proposed rule change (File No. SR–BOX–2018–14).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority. 12 Eduardo A. Aleman, Assistant Secretary.
