DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket ID FEMA-2018-0002; Internal Agency Docket No. FEMA-8557]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: This rule identifies communities where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP) that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date. Also, information identifying the current participation status of a community can be obtained from FEMA’s Community Status Book (CSB). The CSB is available at <https://www.fema.gov/national-flood-insurance-program-community-status-book>.

DATES: The effective date of each community’s scheduled suspension is the third date (“Susp.”) listed in the third column of the following tables.

FOR FURTHER INFORMATION CONTACT: If you want to determine whether a particular community was suspended

on the suspension date or for further information, contact Adrienne L. Sheldon, PE, CFM, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 400 C Street SW, Washington, DC 20472, (202) 212-3966.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase Federal flood insurance that is not otherwise generally available from private insurers. In return, communities agree to adopt and administer local floodplain management measures aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits the sale of NFIP flood insurance unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59.

Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. We recognize that some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue to be eligible for the sale of NFIP flood insurance. A notice withdrawing the suspension of such communities will be published in the **Federal Register**.

In addition, FEMA publishes a Flood Insurance Rate Map (FIRM) that identifies the Special Flood Hazard Areas (SFHAs) in these communities. The date of the FIRM, if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may be provided for construction or acquisition of buildings in identified SFHAs for communities not participating in the NFIP and identified for more than a year on FEMA’s initial FIRM for the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and

public comment procedures under 5 U.S.C. 553(b), are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives 6-month, 90-day, and 30-day notification letters addressed to the Chief Executive Officer stating that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications were made, this final rule may take effect within less than 30 days.

National Environmental Policy Act. FEMA has determined that the community suspension(s) included in this rule is a non-discretionary action and therefore the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*) does not apply.

Regulatory Flexibility Act. The Administrator has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, Section 1315, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless remedial action takes place.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This rule meets the applicable standards of Executive Order 12988.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

RIN 0938–AT93

Patient Protection and Affordable Care Act; Elimination of Internal Agency Process for Implementation of the Federally-Facilitated User Fee Adjustment

AGENCY: Centers for Medicare & Medicaid Services (CMS), Department of Health and Human Services (HHS).

ACTION: Final rule.

SUMMARY: The U.S. Department of Health and Human Services (HHS) is issuing this final rule to eliminate references to internal Executive Branch procedures provided for under Office of Management and Budget (OMB) circular A–25R in connection with an adjustment to the Federally-facilitated Exchange (FFE) user fee. HHS is amending these regulations because it has determined that an exception to OMB circular A–25R is not required to effectuate the FFE user fee adjustment. Thus, this final rule removes the

language that refers to an exception under OMB circular A–25R as an aspect of reducing a participating issuer’s FFE user fee obligation. This rule does not affect the ability of an issuer to obtain an applicable reduction in FFE user fee obligations, amend the calculation of the FFE user fee credit provided to a participating issuer, change the application of the monthly user fee adjustment, or alter any of the other standards that participating issuers must meet to qualify for the user fee adjustment.

DATES: These regulations are effective on January 3, 2019.

SUPPLEMENTARY INFORMATION:

I. Background

A. Determination To Issue a Final Rule

The U.S. Department of Health and Human Services (HHS) is publishing this final rule without previously publishing a proposed rule because HHS has determined that the rule qualifies for exemption from notice-and-comment rulemaking under section 553 of the Administrative Procedures Act (Pub. L. 79–404, enacted June 11, 1946) (APA), both because it is a “matter relating to agency management” under section 553(a)(2)¹ and a “rule of agency

¹ Although HHS’s predecessor agency, the U.S. Department of Health, Education, and Welfare (HEW), waived the APA’s exemption to the requirement for notice and comment rulemaking for “public property, loans, grants, benefits, or contracts” in section 553(a)(2), see “Public Participation in Rule Making,” 36 FR 2532 (Feb. 5,

organization, procedure or practice” under section 553(b)(3)(A). This rule eliminates an unnecessary reference to an internal inter-agency process, but makes no changes to the policy or operational processes set forth for participating FFE issuers or third parties subject to 45 CFR 156.50(d), and will have no effect on these entities or the other individuals and entities that were subjects of the July 2, 2013 final rule “Coverage of Certain Preventive Services Under the Affordable Care Act” (78 FR 39870), namely eligible organizations, self-insured plans of eligible organizations, and participants and beneficiaries of those plans.

B. Legislative and Regulatory Overview

The Patient Protection and Affordable Care Act (Pub. L. 111–148, enacted March 23, 2010) and the Health Care and Education Reconciliation Act of 2010 (Pub. L. 111–152, enacted March 30, 2010) are collectively referred to as “PPACA” in this final rule. Section 1321(a) of the PPACA provides broad authority for the Secretary to establish standards and regulations to implement the statutory requirements related to Exchanges, qualified health plans (QHPs), and other components of title I of the PPACA. When operating an FFE under section 1321(c)(1) of the PPACA, HHS has the authority under sections 1321(c)(1) and 1311(d)(5)(A) of the PPACA to collect and spend user fees. OMB Circular A–25 Revised (OMB Circular A–25R) establishes federal
