Medicare Program: Changes to the Medicare Claims and Medicare Prescription Drug Coverage Determination Appeals Procedures, Correction

AGENCY: Centers for Medicare & Medicaid Services (CMS), HHS.

ACTION: Proposed rule; correction.

SUMMARY: This document corrects technical and typographical errors in the proposed rule that appeared in the Federal Register on October 2, 2018 entitled “Medicare Program: Changes to the Medicare Claims and Medicare Prescription Drug Coverage Determination Appeals Procedures.”

FOR FURTHER INFORMATION CONTACT: Joella Roland, (410) 786–7638.

SUPPLEMENTARY INFORMATION:

I. Background

In FR Doc. 2018–21223 of October 2, 2018 (83 FR 49513), there were technical and typographical errors that are identified and corrected in the Correction of Errors section of this document.

II. Summary of Errors

On page 49513, we in inadvertently made a typographical error in the alphanumeric portion of the regulation identification number (RIN). On page 49523, in our discussion of the “Notice of a Remand,” we inadvertently referenced an incorrect subsection of the regulation. In noting the corresponding change to part 423, subpart U, we erroneously referenced § 423.2056(d)(1) instead of § 423.2056(f).

On page 49525, in the “Regulatory Impact Statement,” although our calculation of the total amount of time that would be saved by not requiring appellants to sign appeals was correct, we made an inadvertent typographical error in the formula used to calculate this amount. Instead of referencing .0083 hours, we incorrectly listed .0083 hours in the formula.

III. Correction of Errors

In FR Doc. 2018–21223 of October 2, 2018 (83 FR 49513), make the following corrections:

1. On page 49513, second column, line 5, the alphanumeric term “AT27” is corrected to read “AT62” in the RIN.

2. On page 49523, first column, first full paragraph, last line 23, the reference “§ 423.2056(d)(1)” is corrected to read “§ 423.2056(f)”.

3. On page 49525, first column, first partial paragraph, line 2, the figure “.0083” is corrected to read “.083”.

Ann C. Agnew,
Executive Secretary to the Department,
Department of Health and Human Services.

RIN 1018–BD53

Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for Sonoyta Mud Turtle

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Proposed rule.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), propose to designate critical habitat for the Sonoyta mud turtle (Kinosternon sonoriense longifemorale) under the Endangered Species Act of 1973, as amended (Act). In total, approximately 12.28 acres (4.97 hectares) in Pima County, Arizona, located entirely within Organ Pipe Cactus National Monument, fall within the boundaries of the proposed critical habitat designation. If we finalize this rule as proposed, it would extend the Act’s protections to this subspecies’ critical habitat. We also announce the availability of a draft economic analysis of the proposed designation of critical habitat for the Sonoyta mud turtle.

DATES: We will accept comments on the proposed rule or draft economic analysis that are received or postmarked on or before February 4, 2019. Comments submitted electronically using the Federal eRulemaking Portal (see ADDRESSES, below) must be received by 11:59 p.m. Eastern Time on the closing date. We must receive requests for public hearings, in writing, at the address shown in FOR FURTHER INFORMATION CONTACT by January 22, 2019.

ADDRESSES: Written comments: You may submit comments on the proposed rule...
