

Background

On July 3, 2018, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the countervailing duty order on corrosion-resistant steel products from India for the period January 1, 2017, to December 31, 2017 (POR).¹ On July 31, 2018, Uttam Galva Steels Limited (Uttam Galva) filed a timely request for review in accordance with 751(a) of the Tariff Act of 1930, as amended (the Act).² On September 10, 2018, based on this request and in accordance with section 751(a) of the Act, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the countervailing duty order on certain corrosion-resistant steel products from India, covering the POR.³ On October 26, 2018, Uttam Galva timely withdrew its request for administrative review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review. Uttam Galva was the only interested party that requested a review of itself. Additionally, Uttam Galva is the only respondent party to this review. As noted above, Uttam Galva withdrew its request for review by the 90-day deadline. As a result, Commerce is rescinding the administrative review of the countervailing duty order on certain corrosion-resistant steel products from India covering the period January 1, 2017, to December 31, 2017.

Assessment

We will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries. Because Commerce is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed countervailing duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse,

for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: December 7, 2018.

James Maeder,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations performing the duties of Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Final Results of Review

Commerce preliminarily determined that none of the companies subject to this review demonstrated eligibility for separate rate status and were thus found to be part of the China-wide entity.⁴ As noted above, Commerce received no comments concerning the *Preliminary Results* of this segment of the proceeding. As there are no changes from, or comments upon, the *Preliminary Results*, Commerce finds that there is no reason to modify its analysis. Accordingly, no decision memorandum accompanies this **Federal Register** notice. For further details of the issues addressed in this proceeding, see the *Preliminary Results*.⁵ In these final results of review, we continued to treat all 27 exporters subject to this review as part of the China-wide entity.⁶ The China-wide entity rate is 40.41 percent.⁷

China-Wide Entity

Commerce's policy regarding the conditional review of the China-wide entity applies to this administrative review.⁸ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review

⁵ *Id.*

⁶ In the *Preliminary Results*, we found all 27 exporters subject to this review to be part of the China-wide entity as each exporter failed to submit an SRA and/or an SRC to establish its eligibility for separate rate status. and the entity's rate is not subject to change (*i.e.*, 40.41 percent).⁹

Assessment Rates

Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries in this review, in accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1). Commerce intends to issue assessment instructions directly to CBP 15 days after publication in the **Federal Register** of these final results of this administrative review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed Chinese and non-Chinese exporters not under review in this segment of the proceeding, but who have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the China-wide entity rate (*i.e.*, 40.41 percent); and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or

destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation, which is subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h).
