covered by the scope of this order is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) at subheading 2922.42.10.00. Merchandise subject to the order may also enter under HTS subheadings 2922.42.50.00, 2103.90.72.00, 2103.90.74.00, 2103.90.80.00, and 2103.90.90.91. The tariff classifications, CAS registry numbers, and UNII numbers are provided for convenience and customs purposes; however, the written description of the scope is dispositive.3

Final Results of Review

Commerce preliminarily determined that none of the companies subject to this review demonstrated eligibility for separate rate status and were thus found to be part of the China-wide entity.4 As noted above, Commerce received no comments concerning the Preliminary Results of this segment of the proceeding. As there are no changes from, or comments upon, the Preliminary Results, Commerce finds that there is no reason to modify its analysis. Accordingly, no decision memorandum accompanies this Federal Register notice. For further details of the issues addressed in this proceeding, see the Preliminary Results.5 In these final results of review, we continued to treat all 27 exporters subject to this review as part of the China-wide entity.6 The China-wide entity rate is 40.41 percent.7

China-Wide Entity

Commerce’s policy regarding the conditional review of the China-wide entity applies to this administrative review.8 Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review

and the entity’s rate is not subject to change (i.e., 40.41 percent).9

Assessment Rates

Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries in this review, in accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1). Commerce intends to issue assessment instructions directly to CBP 15 days after publication in the Federal Register of these final results of this administrative review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed Chinese and non-Chinese exporters not under review in this segment of the proceeding, but who have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the China-wide entity rate (i.e., 40.41 percent); and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation, which is subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h).

Dated: December 6, 2018.

Gary Taverman,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION:

Background

On June 11, 2018, Commerce published the Preliminary Results of the administrative review.1 We invited
interested parties to comment on the Preliminary Results and received case and rebuttal briefs from interested parties. On August 23, 2018, Commerce held a public hearing. After reviewing comments submitted by interested parties, Commerce determined to conduct a formal inquiry into the bona fides nature of the U.S. sale reported by the mandatory respondent, Çayirova Boru Sanayi ve Ticaret A.Ş. and Yücel Boru İthalat-Ihracat ve Pazarlama A.Ş. (collectively, Yücel) in this review. On September 24, 2018, Commerce extended the deadline for the final results by 59 days to December 7, 2018. On October 30, 2018, Commerce reached a determination that Yücel’s U.S. sale subject to this review is a bona fide transaction and invited interested parties to comment on this determination. On November 5, 2018, U.S. Steel submitted a case brief, and on November 7, 2018, Yücel submitted its rebuttal brief.

Commerce conducted this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).

Assessment

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the
final results of this review. For Yücel, we calculated importer-specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for each importer’s examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).  

For entries of subject merchandise during the POR produced by Yücel for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate un-reviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For Toscelik, which we determined had no shipments of subject merchandise in this review period, we will instruct CBP to liquidate any applicable entries of subject merchandise at the all-others rate.  

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of the administrative review for all shipments of OCTG from Turkey entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for companies subject to this review will be the rates established in the final results of the review; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior completed segment of the proceeding, including those for which Commerce has determined had no shipments during the POR, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this administrative review, a prior review, or the original investigation, but the producer or exporter has been covered in a prior complete segment of this proceeding, the cash deposit rate will be the rate established for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 35.86 percent, the all-others rate established in the less-than-fair-value investigation, adjusted for the export-subsidy rate established in the companion countervailing duty investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
