The Wagner-Peyser Act, at section 15(d)(2)(B), requires the WIAC to have 14 members, appointed by the Secretary, consisting of:

(1) Four members who are representatives of lead State agencies with responsibility for workforce investment activities, or State agencies described in Wagner-Peyser Act section 4 (agency designated or authorized by Governor to cooperate with the Secretary of Labor), who have been nominated by such agencies or by a national organization that represents such agencies;

(2) Four members who are representatives of the State workforce and labor market information directors affiliated with the State agencies responsible for the management and oversight of the workforce and labor market information system as described in Wagner-Peyser Act Section 15(e)(2), who have been nominated by the directors;

(3) One member who is a representative of providers of training services under WIOA section 122 (Identification of Eligible Providers of Training Services);

(4) One member who is a representative of economic development entities;

(5) One member who is a representative of businesses, who has been nominated by national business organizations or trade associations;

(6) One member who is a representative of labor organizations, who has been nominated by a national labor federation;

(7) One member who is a representative of local workforce development boards, who has been nominated by a national organization representing such boards; and

(8) One member who is a representative of research entities that use workforce and labor market information.

The Secretary must ensure that the membership of the WIAC is geographically diverse, and that no two members appointed under clauses (1), (2), and (7), above, represent the same State. Each member will be appointed for a term that may be 2 or 3 years in order to establish a rotation of the members. The Secretary will not appoint a member for any more than two consecutive terms, which allows all current WIAC members to be re-nominated if they still meet all of the other membership requirements.

Any member whom the Secretary appoints to fill a vacancy occurring before the expiration of the

predecessor's term will be appointed only for the remainder of that term. Members of the Council will serve on a voluntary and generally uncompensated basis, but will be reimbursed for travel expenses to attend WIAC meetings, including per diem in lieu of subsistence, as authorized by the Federal travel regulations.

The WIAC is a permanent advisory council and, as such, is not governed by the Federal Advisory Committee Act's (FACA) Section 14, on termination of advisory committees. In other respects, however, WIAC membership will be consistent with the FACA requirement that membership be "fairly balanced in terms of the points of view represented and the functions to be performed" (5 U.S.C. App. 5(b)(2)), as specified in Wagner-Peyser section 15(2)(B) & (C), and the requirement that members come from "a cross-section of those directly affected, interested, and qualified, as appropriate to the nature and functions" of the WIAC (41 CFR 102-3.60(b)(3)). Under the FACA regulation, the composition of the WIAC will, therefore, depend upon several factors, including: (i) The WIAC's mission; (ii) the geographic, ethnic, social, economic, or scientific impact of the WIAC's recommendations; (iii) the types of specific perspectives required; (iv) the need to obtain divergent points of view on the issues before the WIAC, such as those of consumers, technical experts, the public at large, academia, business, or other sectors; and (v) the relevance of State, local, or tribal governments to the development of the WIAC's recommendations (41 CFR 102-3, Subpart B, Appendix A.).

To the extent permitted by FACA and other applicable laws, WIAC membership should also be consistent with achieving the greatest impact, scope, and credibility among diverse stakeholders. The diversity in such membership includes, but is not limited to, race, gender, disability, sexual orientation, and gender identity.

Nominations Process: During the nominations period, any interested person or organization may nominate one or more qualified individuals for membership. If you would like to nominate an individual or yourself for appointment to the WIAC, please submit, to one of the addresses listed below, the following information:

- A copy of the nominee's resume or curriculum vitae;
- A cover letter that provides your reason(s) for nominating the individual, the constituency area that they represent (as outlined above in the WIAC membership identification discussion), and their particular expertise for

contributing to the national policy discussion on: (1) The evaluation and improvement of the nationwide workforce and labor market information system and statewide systems that comprise the nationwide system, and (2) how the Department of Labor and the States will cooperate in the management of those systems, including programs that produce employment-related statistics and State and local workforce and labor market information; and

- Contact information for the nominee (name, title, business address, business phone, fax number, and business email address).

In addition, the cover letter must state the nomination is being made in response to this **Federal Register** Notice and the nominee (if nominating someone other than oneself) has agreed to be nominated and is willing to serve on the WIAC. Nominees will be appointed based on their qualifications, professional experience, and demonstrated knowledge of issues related to the purpose and scope of the WIAC, as well as diversity considerations. The Department will publish a list of the new WIAC members on the WIAC's website at <https://www.doleta.gov/wioa/wiac/>.

Authority: Pursuant to the Wagner-Peyser Act of 1933, as amended, 29 U.S.C. 49 *et seq.*; Workforce Innovation and Opportunity Act, Pub. L. 113-128; Federal Advisory Committee Act, as amended, 5 U.S.C. App.
