V. Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 1

In its filing, ICE Clear Europe requested that the Commission grant accelerated approval of the proposed rule change pursuant to Section 19(b)(2) of the Exchange Act.18 Under Section 19(b)(2)(C)(iii) of the Act,19 the Commission may grant accelerated approval of a proposed rule change if the Commission finds good cause for doing so. ICE Clear Europe believes that accelerated approval is warranted because the proposed rule change, as modified by Amendment No. 1, is not expected to change the rights or obligations of clearing members or other persons using the clearing service or the terms or conditions of any cleared contract. Accordingly, ICE Clear Europe does not believe that any delay in implementing amendments with respect to such matters will benefit clearing members, their customers or any other market participants. Rather, ICE Clear Europe is seeking to enable the full onboarding of additional treasury service providers as soon as possible.

The Commission finds good cause, pursuant to Section 19(b)(2)(C)(iii) of the Act,20 for approving the proposed rule change, as modified by Amendment No. 1, on an accelerated basis, prior to the 30th day after the date of publication of notice in the Federal Register, because the proposed rule change is required as soon as possible in order to facilitate ICE Clear Europe’s efforts to provide additional treasury services. The Commission also finds good cause to approve the proposed rule change, as modified by Amendment No. 1, prior to the thirtieth day after the date of publication of the notice of Amendment No. 1 in the Federal Register. As discussed above, ICE Clear Europe submitted Amendment No. 1 to make a technical change to the Liquidity Plan. The Commission believes that Amendment No. 1 does not raise any novel issues or alter the proposed changes in any way. In addition, the Commission finds that the proposed rule change, as modified by Amendment No. 1, is consistent with the Exchange Act and applicable rules thereunder for approving the proposed rule change, as modified by Amendment No. 1, on an accelerated basis, pursuant to Section 19(b)(2) of the Exchange Act.

VI. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of Section 17A of the Act,21 and Rule 17Ad–22(e)(7)22 thereunder.

It is therefore ordered pursuant to Section 19(b)(2) of the Act that the proposed rule change (File Number SR–ICEEU–2018–015), as modified by Amendment No. 1, be, and hereby is, approved on an accelerated basis.24

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.25

Brent J. Fields,
Secretary.

Overseas Schools Advisory Council; Notice of Meeting

The Overseas Schools Advisory Council, Department of State, will hold its Annual Committee Meeting on Wednesday, January 16, 2019 from 1:00 p.m. until 4:00 p.m. at the Melrose Georgetown Hotel, Clifton Room, 2430 Pennsylvania Ave. A second meeting will be held on Thursday, January 17, 2019 from 9:00 a.m. until approximately 2:00 p.m. in Conference Room 1482, Department of State, 2201 C Street NW, Washington, DC. The meetings are open to the public.

The Overseas Schools Advisory Council works closely with the U.S. business community in improving American-sponsored schools overseas that are assisted by the Department of State and attended by dependents of U.S. government employees, and the children of employees of U.S. corporations and foundations abroad.

These meetings will deal with issues related to the work and the support provided by the Overseas Schools Advisory Council to the American-sponsored overseas schools. There will be a report and discussion about the status of the Council-sponsored projects on child protection and special needs. Moreover, the Regional Education Officers in the Office of Overseas Schools will make presentations on the activities and initiatives in the American-sponsored overseas schools.

Members of the public may attend the meetings and join in the discussion, subject to the instructions of the Chair. Admission of public members will be limited to the seating available. Access to the Department of State is controlled, and individual building passes are required for all attendees. Persons who plan to attend should advise the office of Mr. Thomas Shearer, Department of State, Office of Overseas Schools, telephone 202–261–8200, prior to January 9, 2019. Each visitor will be asked to provide his/her date of birth and either driver’s license or passport efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

Any requests for reasonable accommodation should be made at the time of registration. All such requests will be considered, however, requests made after January 7 might not be possible to fill. All attendees must use the 21st Street entrance to the building.

SUPPLEMENTARY INFORMATION: The FAA as lead agency, along with the United States Air Force, as a cooperating agency on behalf of the United States Air Force and the National Guard Bureau, have completed and are publishing a Record of Decision (ROD) for proposed improvements and various land transactions identified at TUS. The ROD was prepared pursuant to Title 40, Code of Federal Regulations (CFR) 1505.2.

The FAA published its Final EIS for these proposed improvements on August 31, 2018. The FAA prepared the Final EIS pursuant to the National Environmental Policy Act of 1969; the Council of Environmental Quality implementing regulations, 40 CFR parts 1500–1508, FAA Order 1050.1F, and FAA Order 5050.4B. FAA assessed the potential environmental impacts of the Airfield Safety Enhancement Project (ASEP), as well as the No Action Alternative where the FAA would make no improvements at TUS.

In the Final EIS, the FAA identified the ASEP as the preferred alternative in meeting the purpose and need for enhancement of safety at TUS. The ASEP includes relocation of Runway 11R/29L (proposed to be 10,996 feet long by 150 feet wide); the demolition of the existing Runway 11R/29L; the construction of a new center parallel and connecting taxiway system; acquisition of land for the runway object-free area, runway safety area, and the runway protection zone from Air Force Plant (AFP) 44. The ASEP also includes relocation of navigational aids and development and/or modification of associated arrival and departure procedures for the relocated runway. The ASEP also includes demolition of 12 Earth Covered Magazines (ECMs) on AFP 44 and their replacement elsewhere on AFP 44. The ASEP also includes both connected and similar land transfer actions from the Tucson Airport Authority (TAA) to the USAF for land at AFP 44; and another parcel of airport land, on behalf of the National Guard Bureau, for construction of a Munitions Storage Area for the Arizona Air National Guard 162nd Wing at the Tucson Air National Guard Base.
