

the Port of Palm Beach District, grantee of FTZ 135, requesting authority to reorganize and expand the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on February 9, 2018.

FTZ 135 was approved by the FTZ Board on March 16, 1987 (Board Order 348, 52 FR 9903, March 27, 1987) and expanded on November 8, 2002 (Board Order 1258, 67 FR 70046, November 20, 2002). The current zone includes the following sites: *Site 1* (25 acres)—Located at Port of Beach Miami Terminal, 1 mile from the Lake Worth Inlet to the Atlantic Ocean, Riviera Beach; *Site 2* (37 acres)—industrial site located 2 miles due west of the terminal at I–95 and Highway 710, Riviera Beach; *Site 3* (11 acres)—TravelPro USA, 700 Banyan Trail, Boca Raton; *Site 4* (66 acres)—Martin County Airport, 1801 SE Airport Road, Stuart; *Site 5* (24 acres total, three parcels)—Palm Beach International Airport, 1300 N. Perimeter Road, West Palm Beach; *Site 6* (286 acres, three parcels)—North Beach County Airport, located adjacent to Beeline Highway (SR 710), North Palm Beach; *Site 7* (3.56 acres, 155,000 sq. ft.)—warehouse, 1440 West Indiantown Road, Jupiter; *Site 8* (170 acres)—within the Palm Beach Park of Commerce, located on the Beeline Highway (SR 710) near Pratt Whitney Road, south of Indiantown Road, Palm Beach; *Site 9* (1.44 acres)—Team International Corporation, 6643 42nd Terrace, Riviera Beach; *Site 10* (11.63 acres)—Viking Sport Cruisers, Inc., Palm Harbor Marina, 400 North Flagler Drive, West Palm Beach; *Site 11* (31.56 acres)—Rybovich, 4200 North Flagler Drive, West Palm Beach; and *Site 12* (1.66 acres)—Berth One International, 1 East 11th Street, Riviera Beach. Sites 9 through 12 were designated through minor boundary modifications pending the grantee’s submission of its application to reorganize and expand the zone (including Sites 9 through 12) under the ASF.

The grantee’s proposed service area under the ASF would be Palm Beach County, Martin County and St. Lucie

County (with the exception of Sites 1 through 4 of FTZ 218, which are located in St. Lucie County), as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the West Palm Beach Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include Sites 1, 4, 5, 6 and 8 as “magnet” sites and Sites 2, 3, 7, 9, 10, 11 and 12 as “usage-driven” sites. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted.

In accordance with the FTZ Board’s regulations, Qahira El-Amin of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is April 23, 2018. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to May 7, 2018.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230–0002, and in the “Reading Room” section of the FTZ Board’s website, which is accessible via www.trade.gov/ftz. Certain Cold-Rolled Steel Flat Products From the United Kingdom: Rescission of Antidumping Duty Administrative Review; 2016-2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on certain cold-rolled steel flat products from the United Kingdom (U.K.) for the period March 7, 2016, through August 31, 2017.

DATES: Effective February 21, 2018.

FOR FURTHER INFORMATION CONTACT: Joshua Poole or Thomas Schauer, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1293 or (202) 482-0410, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 1, 2017, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on certain cold-rolled steel flat products (CR Steel) from the U.K. for the period of review (POR) March 7, 2016, through August 31, 2017.¹ On October 2, 2017, the petitioners, AK Steel Corporation, Steel Dynamics Inc., ArcelorMittal USA LLC, Nucor Corporation, and United States Steel Corporation, requested an administrative review of the order with respect to Caparo Precision Strip, Ltd., and Liberty Performance Steels Ltd.² On November 13, 2017, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the order on CR Steel from the U.K. with respect to Caparo Precision Strip, Ltd., and Liberty Performance Steels Ltd.³ On February 6, 2018, the petitioners timely withdrew their request for an administrative review of Caparo Precision Strip, Ltd., and Liberty Performance Steels Ltd.⁴ No other party requested a review.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review "in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." The petitioners withdrew their request for review within the 90-day time limit. Because we received no other requests for review of Caparo Precision Strip, Ltd., and Liberty Performance Steels Ltd., and no other requests for the review of the order on CR Steel from the U.K. with respect to other companies subject to the order, we are rescinding the administrative review of the order in full, in accordance with 19 CFR 351.213(d)(1).

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 82 FR 41595 (September 1, 2017).

² See the petitioners' Letter, "Re: Cold-Rolled Steel Flat Products from the United Kingdom: Request for Administrative Review," dated October 2, 2017.

³ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 82 FR 52268 (November 13, 2017) (*Initiation Notice*). In the *Initiation Notice*, Commerce stated that it had previously determined that Liberty Performance Steels Ltd. is the successor-in-interest to Caparo Precision Strip, Ltd. See *Initiation Notice* at footnote 5.

⁴ See the petitioners' Letter, "Re Cold-Rolled Steel Flat Products from the United Kingdom: Withdrawal of Request for Administrative Review," dated February 6, 2018.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of CR Steel products from the U.K. during the POR at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: February 14, 2018.

James Maeder,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the duties of Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
