**SUPPLEMENTARY INFORMATION:** The following is a summary of the application. The complete application may be obtained via the Commission's website by searching for the file number, or for an applicant using the Company name box, at <http://www.sec.gov/search/search.htm>, or by calling (202) 551-8090.

### Summary of the Application

1. Applicants request an order to permit (a) a Fund<sup>1</sup> (each a "Fund of Funds") to acquire shares of Underlying Funds<sup>2</sup> in excess of the limits in sections 12(d)(1)(A) and (C) of the Act and (b) the Underlying Funds that are registered open-end investment companies or series thereof, their principal underwriters and any broker or dealer registered under the Securities Exchange Act of 1934 to sell shares of the Underlying Fund to the Fund of Funds in excess of the limits in section 12(d)(1)(B) of the Act.<sup>3</sup> Applicants also request an order of exemption under sections 6(c) and 17(b) of the Act from the prohibition on certain affiliated transactions in section 17(a) of the Act to the extent necessary to permit the Underlying Funds to sell their shares to, and redeem their shares from, the Funds of Funds.<sup>4</sup> Applicants state that such

<sup>1</sup> Applicants request that the order apply to each existing and future series of Morningstar Funds Trust and to each existing and future registered open-end investment company or series thereof that is advised by Morningstar Investment Management LLC or its successor or by any other investment adviser controlling, controlled by or under common control with Morningstar Investment Management LLC or its successor and is part of the same "group of investment companies" as Morningstar Funds Trust (each, a "Fund"). For purposes of the requested order, "successor" is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization. For purposes of the request for relief, the term "group of investment companies" means any two or more registered investment companies, including closed-end investment companies and business development companies, that hold themselves out to investors as related companies for purposes of investment and investor services.

<sup>2</sup> Certain of the Underlying Funds have obtained exemptions from the Commission necessary to permit their shares to be listed and traded on a national securities exchange at negotiated prices and, accordingly, to operate as an exchange-traded fund ("ETF").

<sup>3</sup> Applicants do not request relief for Funds of Funds to invest in reliance on the order in business development companies and registered closed-end investment companies that are not listed and traded on a national securities exchange.

<sup>4</sup> A Fund of Funds generally would purchase and sell shares of an Underlying Fund that operates as an ETF or closed-end fund through secondary market transactions rather than through principal transactions with the Underlying Fund. Applicants nevertheless request relief from sections 17(a)(1) and (2) to permit each ETF or Unaffiliated Closed-End Investment Company that is an affiliated

person, or an affiliated person of an affiliated person, as defined in section 2(a)(3) of the 1940 Act, of a Fund of Funds to sell shares to or redeem shares from the Fund of Funds. This includes, in the case of sales and redemptions of shares of ETFs, the in-kind transactions that accompany such sales and redemptions. The Applicants are not seeking relief from section 17(a) for, and the requested relief will not apply to, transactions where an ETF, business development company, or closed-end fund could be deemed an affiliated person, or an affiliated person of an affiliated person, of a Fund of Funds because an investment adviser to the ETF, business development company, or closed-end fund or an entity controlling, controlled by or under common control with the investment adviser to the ETF, business development company, or closed-end fund, is also an investment adviser to the Fund of Funds.

2. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Such terms and conditions are designed to, among other things, help prevent any potential (i) undue influence over an Underlying Fund that is not in the same "group of investment companies" as the Fund of Funds through control or voting power, or in connection with certain services, transactions, and underwritings, (ii) excessive layering of fees, and (iii) overly complex fund structures, which are the concerns underlying the limits in sections 12(d)(1)(A), (B), and (C) of the Act.

3. Section 12(d)(1)(f) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly

intended by the policy and provisions of the Act.

intended by the policy and provisions of the Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.
