Federal Aviation Administration

Public Notice for Waiver of Aeronautical Land Use Assurance; Great Falls International Airport, Great Falls, MT

AGENCY: Federal Aviation Administration, (FAA), DOT.

ACTION: Notice.

SUMMARY: Notice is being given that the FAA is considering a proposal from the Great Falls International Airport Authority to change certain portions of the airport from aeronautical use to non-aeronautical use at the Great Falls International Airport, Great Falls, MT. The proposal consists of 5 acres of surplus property shown on the Airport’s Exhibit “A” as the portion of Parcel 4 east of the airport’s access road.

DATES: Comments must be received by March 26, 2018.

ADDRESSES: Comments on this application may be mailed or delivered to the FAA at the following address: Mr. William C. Garrison, Manager, Federal Aviation Administration, Northwest Mountain Region, Airports Division, Helena Airports District Office, 2725 Skyway Drive, Suite 2, Helena, Montana 59602.

FOR FURTHER INFORMATION CONTACT: Mr. Joe Nye, Civil Engineer, Federal Aviation Administration, Northwest Mountain Region, Helena Airports District Office, 2725 Skyway Drive, Suite 2, Helena, MT 59602–1213.

The request to release deed restrictions may be reviewed, by appointment, in person at the same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release the aeronautical use restriction of 5 acres at the Great Falls International Airport under the provisions of Title 49, U.S.C. Section 47153(c) and 47107(b)(2).

The Great Falls International Airport Authority, referred to herein as the Authority, has requested release from the aeronautical use restrictions assigned to 5 acres donated by the U.S. Government as surplus property in 1948.

The 5 acres are a fragment of a larger 780-acre parcel identified on the Airport’s Exhibit A as Parcel 4. The 5 acres proposed for non-aeronautical use are isolated from the airfield by the airport entry road to the south and west. The Authority has identified these 5 acres as no longer needed for aeronautical purposes.

The Authority proposes to lease the property for the construction and operation of a fueling station and restaurant. The revenue from the lease of this property will be used for airport purposes. The proposed use of this property is compatible with other airport operations and is in accordance with FAA’s Policy and Procedures Concerning the Use of Airport Revenue, published in Federal Register on February 16, 1999.

Any person may inspect the request in person at the FAA office listed above under FOR FURTHER INFORMATION CONTACT.

Issued in Helena, Montana, on February 14, 2018.

William C. Garrison,
Manager, Helena Airports District Office.

[FHWA Docket No. FHWA–2017–0018]

Transportation Asset Management Plan Development Processes Certification and Recertification Guidance; Transportation Asset Management Plan Consistency Determination Interim Guidance

AGENCY: Federal Highway Administration (FHWA), U.S. Department of Transportation (DOT).

ACTION: Notice.

SUMMARY: The FHWA is finalizing one guidance document and issuing one interim guidance document: Transportation Asset Management Plan Development Processes Certification and Recertification Guidance, and Transportation Asset Management Plan Consistency Determination Interim Guidance. These documents provide implementation guidance on provisions of the Moving Ahead for Progress in the 21st Century Act (MAP–21) and the Asset Management Final Rule, which requires a State department of transportation (State DOT) to develop and implement a risk-based asset management plan. Under these authorities, FHWA must certify that Transportation Asset Management Plan (TAMP) development processes established by a State DOT meet applicable requirements, and make an annual consistency determination, evaluating whether a State DOT has developed and implemented a State-approved TAMP that meets all applicable requirements. This notice finalizes the Transportation Asset Management Plan Development Processes Certification and Recertification Guidance, issues interim guidance on transportation asset management plan consistency determinations, and summarizes the comments received on the drafts of both guidance documents, FHWA’s response to those comments, and any changes that were made to the guidance documents issued with this notice.

FOR FURTHER INFORMATION CONTACT: For questions about this notice contact Mr. Stephen Gaj, FHWA Office of Infrastructure, (202) 366–1336, Federal Highway Administration, 1200 New Jersey Ave. SE, Washington, DC 20590, or via email at Stephen.Gaj@dot.gov. For legal questions, please contact Ms. Janet Myers, FHWA Office of the Chief Counsel, (202) 366–2019, Federal Highway Administration, 1200 New Jersey Ave. SE, Washington, DC 20590–0001, or via email at Janet.Myers@dot.gov. Business hours for FHWA are from 8:00 a.m. to 4:30 p.m., e.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Electronic Access

Background

Under the asset management provisions enacted in MAP–21, codified at 23 U.S.C. 119, State DOTs must develop and implement a risk-based TAMP. This TAMP must include all National Highway System (NHS) pavements and bridges, regardless of whether the State or some other entity owns the relevant NHS facility.

The FHWA Division Offices (Divisions) must take two actions with respect to State DOT asset management activities. The first is TAMP development process certification/recertification. Under 23 U.S.C. 119(e)(6), FHWA must certify at least every 4 years that the applicable State DOT’s processes for developing its TAMP are consistent with applicable
