Rural Housing Service

Request for Proposals: Multi-Family Housing Transfer and Prepayment Technical Assistance Grants

AGENCY: Rural Housing Service, USDA.

ACTION: Notice.

SUMMARY: This Request for Proposal (RFP or Notice) announces an availability of funds and the timeframe to submit proposals for Multi-Family Housing (MFH) Transfer and Prepayment Technical Assistance (TA) grants. Section 771 of the Consolidated Appropriations Act, 2017 appropriated $1,000,000 to provide grants to qualified non-profit organizations and public housing authorities (PHA). Selected grantees will use the funds to provide financial and legal TA to the Rural Housing Service (RHS) MFH loan applicants to facilitate the acquisition of RHS Section 515 properties with maturing Rural Development (RD) mortgages, in areas at risk of losing affordable housing. Consistent with Section 771 and the pilot program initiated by RHS on March 1, 2017 (available at: www.rd.usda.gov/files/RDUL-Nonprofit.pdf), this RFP is soliciting proposals from qualified non-profit organizations and PHA to provide TA to MFH loan applicants who are qualified non-profit organizations and PHA with their acquisitions of Section 515 properties with maturing mortgages.

Work performed under these grants is expected to result in an increased submission of quality applications for transfers of Section 515 properties to eligible non-profit and PHA loan applicants as defined in RD regulations. Furthermore, it will result in the preservation and continued availability of decent, safe, and sanitary housing for eligible Rural Rental Housing (RRH) tenants and maximize the Government’s ongoing return on the public’s investment in rural areas.

The grant funds must be used to assist eligible loan applicants with specific transactions to acquire Section 515 projects with maturing mortgages under the pilot program. Grant funds are available for obligation through September 30, 2018.

DATES: February 27, 2018.
