

options on VXX. The Commission notes that Amendment No. 2 does not otherwise modify the proposed rule change, as modified by Amendment No. 1, which was subject to a full notice-and-comment period. Rather, Amendment No. 2 serves to narrow the scope of the original proposal by maintaining the existing position limit of 250,000 contracts for options on VXX. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,⁶⁷ to approve the proposed rule change, as modified by Amendment Nos. 1 and 2, on an accelerated basis.

VII. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁶⁸ that the proposed rule change, as modified by Amendment Nos. 1 and 2 (SR-CBOE-2017-057), be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority,⁶⁹

Robert W. Errett,
Deputy Secretary.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 13, 2018, Cboe EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rule 21.1(c) to further align the Exchange's rules with the Rule 21.1(c) of Cboe BZX Exchange, Inc. ("BZX Options"), an options platform affiliated with the Exchange.

Pursuant to EDGX Options Rule 21.1(c) the default treatment on EDGX Options is that an order is an Attributable Order unless a User directs otherwise. This is the opposite of BZX Options, which provides that the default treatment is that an order is a Non-Attributable Order unless a User directs otherwise. In order to align the Exchange's rules with BZX Options rules the Exchange seeks to amend EDGX Options Rule 21.1(c) to provide that an order is a Non-Attributable Order unless a User directs otherwise.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule change does not propose to implement new or unique functionality that has not been previously filed with the Commission. The Exchange notes that the proposed rule text is based on BZX Options Rule 21.1(c). The proposed rule change is intended to further align BZX Options Rule 21.1(c) with the rules of BZX Options in order to provide consistent functionality across the Exchange and its affiliate. More consistent functionality between the Exchange and BZX Options will reduce complexity and may help to avoid potential confusion by Users of the Exchange that are also participants on BZX Options. As such, the proposed rule change will foster cooperation and coordination with persons engaged in facilitating transactions in securities and will remove impediments to and perfect the mechanism of a free and open market and national market system.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange notes that the proposal will provide consistent functionality between EDGX Options and BZX Options, thereby potentially reducing complexity and providing improvements to rules to avoid potential confusion by Users of the Exchange that are also participants on BZX Options. As noted elsewhere in the proposal, the Exchange is not proposing any new or unique functionality that has not been previously filed with the Commission. Thus, the Exchange does not believe the proposal creates any significant impact on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No comments were solicited or received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (A) Significantly affect the protection of investors or the public interest; (B) impose any significant burden on competition; and (C) by its terms, become operative for 30 days from the date on which it was filed or such shorter time as the Commission may designate it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and paragraph (f)(6) of Rule 19b-4 thereunder,⁸ the Exchange has designated this rule filing as non-controversial. The Exchange has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (1) Necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings

to determine whether the proposed rule should be approved or disapproved.
